A PROFESSIONAL ACCOUNTING CORPORATION

Independent Auditor's Report

To the Board of Directors
Fourth Ward Waterworks Association, Inc.
P.O. Box 623
Albany, Louisiana 70711

Opinion

We have audited the accompanying financial statements of Fourth Ward Waterworks Association, Inc. (a nonprofit organization), which comprise the statement of financial position as of December 31, 2022, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Fourth Ward Waterworks Association, Inc. as of December 31, 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Fourth Ward Waterworks Association, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Fourth Ward Waterworks Association, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with general accepted auditing standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatements of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Fourth Ward Waterworks Association, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about Fourth Ward Waterworks Association, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope of timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary information on pages 18 through 22 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and related directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Other Information

In accordance with *Government Auditing Standards*, we have also issued our report dated June 27, 2023, on our consideration of Fourth Ward Waterworks Association, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Fourth Ward Waterworks Association, Inc.'s internal control over financial reporting on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Fourth Ward Waterworks Association, Inc.'s internal control over financial reporting and compliance.

Fourth Ward Waterworks Association, Inc.
Albany, Louisiana

Notes to the Financial Statements
For the Year Ended December 31, 2022

Business Organization

Fourth Ward Waterworks Association, Inc. (The Association) is a non-profit corporation of the State of Louisiana serving the water service needs of its members. The Association was incorporated in 1969 and is supported primarily by fees paid by members for water services. The service limits for the Association are within Livingston Parish from the village limits of Albany, bounded on the north by St. Helena Parish, on the east by Tangipahoa Parish and on the west by the Tickfaw River. The Association currently serves 1,610 members.

1. Significant Accounting Policies

A. Basis of Presentation

The Association is required to report information regarding the financial position and activities according to two classes of net assets: without donor restrictions and with donor restrictions.

B. Basis Accounting

The financial statements of Fourth Ward Waterworks Association, Inc. have been prepared on the accrual basis of accounting. Under the accrual basis of accounting, revenues are recognized when earned and expenses are recognized at the time liabilities are incurred.

C. Water Sales

Revenue from contracts with members for monthly water sales is reported at the amount that reflects the consideration to which the Association expects to be entitled in exchange for providing water to its customers. Revenue is recognized as performance obligations are satisfied, which is monthly, as billed. Generally, the Association bills members on the 1st day of each month and amounts being due by the 11th of each month.

D. Cash and Cash Equivalents

Cash includes amounts in demand deposits, time deposits and money market accounts. For purposes of the statement of cash flows, the Association considers all highly liquid investments with an initial maturity of three months or less to be cash equivalents.

E. Investments

The Association maintains investments in the Louisiana Asset Management Pool (LAMP), a non-profit corporation formed by an initiative of the State Treasurer and organized under the laws of Louisiana to operate as a local government investment pool. LAMP invests its assets only in securities and other obligations permissible under Louisiana law for local governments. Investments in LAMP are highly liquid and are considered to be cash equivalents. The Association also maintains an investment in a certificate of deposit with an initial maturity of more than 90 days.

Fourth Ward Waterworks Association, Inc.
Albany, Louisiana

Notes to the Financial Statements
For the Year Ended December 31, 2022

F. Inventories

Inventories of water system supplies are stated at the lower of cost or market using the first-in, first-out (FIFO) method.

G. Prepaid Items

Payments made to vendors that will benefit periods beyond the end of the current calendar year are recorded as prepaid items. At December 31, 2022, the District had no prepaid items.

H. Property, Plant and Equipment

Property, plant, and equipment are stated at cost or fair value at date of donation. The Association has not adopted a formal capitalization policy. Depreciation is provided using the straight-line method over the estimated useful lives of the assets as follows:

<u>Description</u>	<u>Estimated Lives</u>
Buildings and Improvements	20 Years
Machinery and Equipment	5 - 7 Years
Water Systems	40 Years

Renewals or improvements which extend the useful lives of assets are capitalized at cost. Maintenance and repairs are included as expenses in the statement of activities.

I. Compensated Absences

At December 31, 2022, the Association did not have employees that accumulate or vest benefits.

J. Income Taxes

The Association is exempt from Federal Income Taxes under Section 501 (C) (12) of the Internal Revenue Code. The Organization's Forms 990, Return of Organization Exempt from Income Tax.

K. Use of Estimates

The preparation of financial statements in conformance with generally accepted accounting principles in the United States of America requires management to make estimates and assumptions that affect the reported amount of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Fourth Ward Waterworks Association, Inc.
Albany, Louisiana

Notes to the Financial Statements
For the Year Ended December 31, 2022

L. Restricted Cash

Members' deposits are classified as restricted assets. Certain resources set aside for the repayment of the note payable are classified as restricted assets because their use is limited by applicable bond covenants.

M. Concentration of Credit Risk

In the normal course of business, the Association extends unsecured credit to customers located in Livingston Parish in the State of Louisiana.

At December 31, 2022, the Association had deposits in excess of the FDIC insurance by \$97,842.

2. Financial Assets and Liquidity Resources

As of December 31, 2022, financial assets and liquidity resources available within one year for general expenditures such as operating expenses, scheduled principal payments on debt, and capital construction costs not financed with debt, were as follows:

Financial Assets:

Cash & Cash Equivalents	\$ 300,188
Investments	243,099
Accounts Receivable, Net	63,380
Total Financial Assets Available within One Year	<u>606,667</u>

Total Financial Assets and Liquidity Resources Available within One Year	<u>\$ 606,667</u>
--	-------------------

3. Cash and Cash Equivalents

At December 31, 2022, the Association had cash and cash equivalents totaling \$596,980 (book balances) as follows:

Demand Deposits	\$ 300,188
Money Market	253,372
Total Cash and Cash Equivalents	<u>\$ 553,560</u>

Fourth Ward Waterworks Association, Inc.
Albany, Louisiana

Notes to the Financial Statements
For the Year Ended December 31, 2022

4. Investments

Investments held at December 31, 2022 consist of \$77,904 in the Louisiana Asset Management Pool (LAMP), a local government investment pool. LAMP is administered by the Louisiana Asset Management Pool, Inc., a non-profit corporation organized under the laws of the State of Louisiana. The primary objective of LAMP is to provide a safe environment for the placement of funds in short-term, high-quality investments. The LAMP portfolio includes only securities and other obligations in which local governments in Louisiana are authorized to invest in accordance with LA-R.S. 33:2955.

At December 31, 2022 the Association's certificate of deposit was reported separate from cash because the original maturity was more than 90 days. The fair value of the certificate of deposit at December 31, 2022 was \$165,195.

5. Inventories

At December 31, 2022, the Association had inventories consisting of the following:

Water System Supplies	\$	19,853
Water Chemicals		10,818
Total	\$	<u>30,671</u>

6. Receivables

The following is a summary of receivables at December 31, 2022:

	<u>Beginning</u>	<u>Ending</u>
Accounts	\$ 52,204	\$ 67,263
Accrued Billings	10,192	10,146
Allowance for Bad Debt	<u>(3,883)</u>	<u>(3,883)</u>
Net Accounts Receivable	\$ <u>58,513</u>	\$ <u>73,526</u>

All customer receivables are reported at gross value and reduced by the portion that is expected to be uncollectible. Uncollectible accounts are written off against accounts receivable, when determined by the manager to be uncollectible.

Estimated unbilled receivables are recognized at the end of each fiscal year on a pro-rata basis. The estimated amount is based on billing during the month following the close of the fiscal year. Estimated unbilled receivables at December 31, 2022 totaled \$10,146.

The Association does not require collateral from its customers. The Association requires a security deposit of \$75.

Fourth Ward Waterworks Association, Inc.
Albany, Louisiana

Notes to the Financial Statements
For the Year Ended December 31, 2022

7. Restricted Assets

At December 31, 2022, the Association had restricted assets as follows:

Debt Service Reserve Account	\$	125,412
Members' Deposit Account		127,960
Total Restricted Assets		<u><u>253,372</u></u>

The Association is required to maintain a separate account for a reserve fund according bond covenants. The Association shall fund the Debt Reserve Requirement of \$124,148 in quarterly installments of \$10,345.66. The Reserve fund has been fully funded as of December 31, 2022.

8. Property, Plant and Equipment

A summary of changes in capital assets during the fiscal year ending December 31, 2022, is as follows:

	Balance December 31, 2021	Additions	Deletions	Balance December 31, 2022
Capital Assets				
Land	\$ 23,476	\$ -	\$ -	\$ 23,476
Construction In Progress	173,366	222,425		395,791
Building	19,637	6,691	-	26,328
Equipment & Furniture	106,262	-	-	106,262
Water Distribution System	4,199,964	19,669	-	4,219,633
Total Capital Assets	<u>4,522,705</u>	<u>248,785</u>	<u>-</u>	<u>4,771,490</u>
Less Accumulated Depreciation	<u>(2,255,213)</u>	<u>(123,968)</u>	<u>-</u>	<u>(2,379,181)</u>
Total Capital Assets, Net	<u><u>\$ 2,267,492</u></u>	<u><u>\$ 124,817</u></u>	<u><u>\$ -</u></u>	<u><u>\$ 2,392,309</u></u>

Depreciation expense for the fiscal year ending December 31, 2022, totaled \$123,968.

In 2021, the Association entered into a cooperative endeavor agreement with the Livingston Parish Government for the construction of a new water well. The Livingston Parish Government is in charge of the procurement process and will be paying approximately \$1,560,000 of the cost. The Association will be paying \$350,000 towards the cost of the new well plus engineering costs of approximately \$115,000. At December 31, 2022 total construction in progress incurred by the Association totals \$395,791. Estimated completion date has not been determined.

9. Members' Deposits

Members' deposits are paid by customers upon application for utility services and are returnable to them upon termination of services. The Association has established a separate bank account for member deposits. At December 31, 2022, the balance in this account is \$120,975.

**Fourth Ward Waterworks Association, Inc.
Albany, Louisiana**

**Notes to the Financial Statements
For the Year Ended December 31, 2022**

10. Pension Plan

The Fourth Ward Waterworks Association, Inc. participates in a Simple IRA Retirement Plan. The Association contributes two (2) percent of all employees' annual income. At December 31, 2022, the association recorded retirement expense of \$4,397.

11. Notes Payable

The Association entered into a loan agreement with the Louisiana Local Government Environment Facilities and Community Development Authority. On February 25, 2011, the Association borrowed \$1,224,000 in "Revenue Bonds Series 2011." The interest rate is at 5.699% and final maturity is on February 1, 2026. The Association has \$5,200 remaining in the unamortized portion of the bond issuance cost. This amount is netted with the long-term portion of the Note Payable on the Statement of Financial Position.

	Balance December 31, 2021	Payments	Balance December 31, 2022	Due Within One Year
Series 2011	\$ 309,392	\$ 109,210	\$ 200,182	\$ 115,630

The debt service requirements to maturity for the Revenue Bonds Series 2011 are as follows:

Year Ending December 31	Principle	Interest	Total
2023	115,630	8,978	124,608
2024	84,552	2,186	86,738
	\$ 200,182	\$ 11,164	\$ 211,346

The Association must maintain user fees sufficient to provide an amount equal to at least one hundred twenty-five percent of the principal and interest maturing on the note for each Fiscal Year after paying the necessary expenses of operating and maintaining the water system. The Association is in compliance with this covenant.

**Fourth Ward Waterworks Association, Inc.
Albany, Louisiana**

**Notes to the Financial Statements
For the Year Ended December 31, 2022**

13. Subsequent Event

Management has evaluated subsequent events through June 27, 2023, the date which the financial statements were available to be issued and determined that no events require disclosure.

**Independent Auditor's Report on Internal Control Over Financial Reporting and
on Compliance and Other Matters Based on an Audit of Financial Statements
Performed in Accordance with Government Auditing Standards**

Board of Directors
Fourth Ward Waterworks Association, Inc.
P.O. Box 623
Albany, Louisiana 70711

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Fourth Ward Waterworks Association, Inc. (a nonprofit organization), which comprise the statement of financial position as of December 31, 2022, and the related statements of activities, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated June 27, 2023.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Fourth Ward Waterworks Association, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Fourth Ward Waterworks Association, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Fourth Ward Waterworks Association, Inc.'s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Fourth Ward Waterworks Association, Inc.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that have not been identified. We did identify certain deficiencies in internal control, described in the accompanying Schedule of Current Year Audit Findings and Responses as item 2022-1 that we consider to be a material weakness.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Fourth Ward Waterworks Association's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Fourth Ward Waterworks Association's Response to Findings

Fourth Ward Waterworks Association's response to the findings identified in our audit is described in the accompanying Schedule of Current Year Audit Findings and Responses. Fourth Ward Waterworks Association's response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

Purpose of this Report

The Purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

This report is intended solely for the information and use of management, the Board of Directors, and the Office of the Legislative Auditor, State of Louisiana, and federal awarding agencies and pass through entities and is not intended to be and should not be used by anyone other than these specified parties. Under Louisiana Revised Statute 24:513, this report is distributed by the Legislative Auditor as a public document.

**Schedule of Prior Year Audit Findings
For the Year Ended December 31, 2022**

Section I Internal Control and Compliance Material to the Financial Statements

2021-1 Segregation of Duties

Condition:

The Association currently does not have adequate segregation of duties. Currently, the manager has the capability to create utility billings, make adjustments in the utility software, and collect payments.

Recommendation:

As a compensating control, the accounts receivable balance in the utility billing system must be reconciled to the general ledger monthly.

Resolved:

See Finding 2022-1

**Fourth Ward Waterworks Association, Inc.
Albany, Louisiana**

**Schedule of Current Year Audit Findings and Responses
December 31, 2022**

We have audited the basic financial statements of Fourth Ward Waterworks Association, Inc. as of and for the year ended December 31, 2022, and have issued our report thereon dated June 27, 2023. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Governmental Auditing Standards*, issued by the Comptroller General of the United States. Our audit of the financial statements as of December 31, 2022, resulted in an unmodified opinion.

Internal Control

Material Weaknesses, Yes Significant Deficiencies, No

Compliance

Compliance Material to Financial Statements, No

b. Federal Awards

Not applicable

Was a management letter issued? No

Internal Control

2022-1 Segregation of Duties

Condition:

The Association currently does not have adequate segregation of duties. Currently, the manager has the capability to create utility billings, make adjustments in the utility software, and collect payments.

Criteria:

Proper segregation of incompatible duties requires that there be different individuals responsible for authorizing transactions, recording transactions, and maintaining custody of related assets.

Cause:

The Association's staff is not sufficient size to allow for proper and appropriate segregation of duties to maintain an effective system of internal controls.

Fourth Ward Waterworks Association, Inc.
Albany, Louisiana

Schedule of Current Year Audit Findings and Responses
December 31, 2022

Effect:

Without segregation of incompatible duties, the Association is exposed to many risks including, but not limited to, the risk of improper or unauthorized transactions, misappropriation of assets, and incomplete, inaccurate, or fraudulent financial reporting. The lack of segregation of incompatible duties represents a material weakness in the design of the internal controls over financial reporting.

Recommendation:

We recommend the Association continue to perform the following:

- Review of the unopened monthly bank statements and related bank reconciliations (including all cancelled checks) by a board member and require that person to document their review and approval of the items clearing the bank statement by initialing and dating the face of the statement.
- Review the Association's monthly financial statements.
- The Board should continue to approve credit and debit memos.
- The Board should continue to approve the write off of bad debts.
- External CPA should continue to reconcile utility billing receivable to general ledger.
- Board member should continue to initial invoices

Management's Response:

Management acknowledges the condition as described above. Responsible Party is Jody Purvis, Board President.
