Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Baton Rouge Black Alcoholism Council, Inc. (a nonprofit organization), which comprise the statements of financial position as of December 31, 2025, and the related statements of activities, functional expenses, and cash flows for the year then ended and the related notes to the financial statements.

In our opinion, the financial statements present fairly, in all material respects, the financial position of Baton Rouge Black Alcoholism Council, Inc. as of December 31, 2025, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Baton Rouge Black Alcoholism Council, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibility of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Baton Rouge Black Alcoholism Council, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Baton Rouge Black Alcoholism Council, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Baton Rouge Black Alcoholism Council, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The Schedule of Compensation, Benefits and other Payments to Agency Head is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated August 12, 2026, on our consideration of Baton Rouge Black Alcoholism Council, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Baton Rouge Black Alcoholism Council, Inc.'s internal control over financial reporting or on compliance.

That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Baton Rouge Black Alcoholism Council, Inc.'s internal control over financial reporting and compliance.

NOTES TO THE FINANCIAL STATEMENTS

**BATON ROUGE BLACK ALCOHOLISM COUNCIL, INC.
D/B/A METRO HEALTH**

**NOTES TO THE FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2025**

(A) NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

The Baton Rouge Black Alcoholism Council, Inc. (Organization) is a Louisiana voluntary health non-profit corporation, incorporated on December 12, 1988.

The mission of the Organization is to develop and implement strategies that will reduce the spread of HIV/AIDS and other sexually transmitted infections (STI's); to educate and provide risk reduction counseling and testing to individuals in institutional and community settings; to encourage early HIV testing, to motivate behavioral changes in persons with behaviors that put them at risk of getting infected with HIV/STI's; to increase the awareness of preventative services; to render support and direction to persons infected with HIV and other STI's; to offer alcohol and drug prevention and referral services; and to offer youth development programs.

Basis of Presentation

The financial statements of the Organization have been prepared on the accrual basis. The Organization reports information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions. Currently, the Organization has no net assets with donor restrictions.

Basis of Accounting

The financial statements of Baton Rouge Black Alcoholism Council, Inc have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities.

Net Assets

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor- imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. These net assets may be used at the discretion of the Organization's management and the board of directors.

Net assets with donor restrictions: Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity. As of December 31, 2025 , the Organization has \$ -0- in net assets with donor restrictions.

When a restriction expires, net assets with donor restrictions are reclassified as net assets without donor restrictions.

D/B/A METRO HEALTH**

**NOTES TO THE FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2025**

(A) NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES – (continued)

Cash and Cash Equivalents

For the purpose of the statement of cash flows, the Organization considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents. As of December 31, 2025, the Organization did not hold any cash equivalents

Property and Equipment

The Organization capitalizes all expenditures in excess of \$1,000 for property and equipment at historical cost. Donated property and equipment are valued at fair market value at the time of donation. If donors stipulate how assets must be used, the contributions are recorded as with donor restricted support. In the absence of such stipulations, contributions for property and equipment are recorded as without donor restricted support.

Depreciation is computed using the straight-line method over the assets' useful lives. Depreciation expense was \$6,663 for the year ended December 31, 2025.

Income Tax

The Organization is exempt from Federal Income Taxes under Section 501(c)(3) of the Internal Revenue Code, and has been designated as an organization other than a private foundation. Accordingly, no provision has been made for income taxes in the financial statements. The Organization is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Organization believes it is no longer subject to tax return examinations for the years prior to 2022.

Advertising

The Organization uses advertising to promote its programs among the audiences it serves. The costs of advertising are expensed the first time the advertising takes place. For the period ended December 31, 2025, advertising expense was \$11,750.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles require management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Functional Allocation of Expenses

The cost of providing the various programs and activities has been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

**BATON ROUGE BLACK ALCOHOLISM COUNCIL, INC.
D/B/A METRO HEALTH**

**NOTES TO THE FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2025**

(A) NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES – (continued)

Compensated Absences

Employees accrue personal leave after a six-month probationary period, with the amount being determined by full-time and part-time status. The employee does not have a maximum leave balance, and accrued unused leave earned by the employee shall be carried forward to future periods without limitation. At the time of termination of employment, any unused leave will be forfeited and will not be paid out to the employee. Accordingly, no accrual had been made for compensated absences as of December 31, 2025.

Revenue Recognition

Grants and Contributions

The Organization recognizes contributions when cash, securities or other assets, an unconditional promise to give, or a notification of a beneficial interest is received. Conditional promises to give, that is, those with a measurable performance or other barrier, and a right of return, are not recognized until the conditions on which they depend have been substantially met.

The Organization receives support in the form of grants from federal, state, and local governmental agencies, which are conditioned upon certain performance requirements and/or the incurrence of allowable qualifying expenses. Amounts received are recognized as revenue when the Organization has incurred expenditures in compliance with specific contract or grant provisions. Amounts received prior to incurring qualifying expenditures are reported as refundable advances in the Statement of Financial Position. No amounts were received in advance under the Organization's grants in 2025.

Grants and contributions are recorded depending on the existence or nature of any donor restrictions. Support that is restricted by a donor is reported as an increase in net assets with donor restrictions. When a restriction expires (that is, when a stipulated time restriction ends or a purpose restriction is accomplished), net assets are reclassified to net assets without donor restrictions and reported in the Statement of Activities and Changes in Net Assets as net assets released from restrictions. Donor restricted contributions whose restrictions are met in the same reporting period are reported as revenue without donor restrictions.

340B Program Revenue

The Organization contracts with local retail pharmacies under the program, which results in additional revenues and discounts on outpatient prescriptions for the Organization's patients. Revenue and expenditures related to this program are recorded once the prescription drugs are transferred from the retail pharmacy to the patient. Laws and regulations surrounding the 340B drug program are complex and are subject to interpretation and change.

Patient Service Fees

Patient service fees represent the estimated net realizable amounts from patients, third party payers, and others for services rendered or prescriptions dispensed. Revenues are recorded during the period the health care services are provided, based upon the estimated amounts due from payers. Estimates of contractual allowances are based upon the specified payment terms.

D/B/A METRO HEALTH**

**NOTES TO THE FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2025**

(A) NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES – (continued)

Revenue Recognition – (continued)

Laws and regulations governing Medicaid programs are complex and subject to interpretation. The estimated reimbursement amounts are made on a payer-specific basis and are recorded based on the best information available regarding management's interpretation of the applicable laws, regulations, and contract terms. Management continually reviews the contractual estimation process to consider and incorporate updates to laws and regulations and the frequent changes in managed care contractual terms resulting from contract renegotiations and renewals. Due to the complexities involved in the classification and documentation of health care services authorized and provided, the estimation of revenues earned and the related reimbursement are often subject to interpretations that could result in payments that are different from the Organization's estimates.

The Organization provides discounts from gross charges to uninsured patients who do not qualify for Medicaid. These discounts are like those provided to many local managed care plans. After the discounts are applied, if the Organization is still unable to collect a significant portion of uninsured patients' accounts, it records significant provisions for doubtful accounts (based upon historical collection experience) related to uninsured patients in the period the services are provided. The Organization receives payments for patient services from the federal government under the Medicare program, state governments under their respective Medicaid or similar programs, managed care plans, and directly from patients.

The laws and regulations governing the Organization's operations, along with the terms of participation in various government programs, regulate how the Organization does business, the services offered and its interactions with patients and the public. These laws and regulations, and their interpretations, are subject to frequent change. Changes in existing laws or regulations, or their interpretations, or the enactment of new laws or regulations could materially and adversely affect the Organization's operations and financial condition.

The Organization is subject to various routine and non-routine governmental reviews, audits and investigations. Violation of the laws governing the Organization's operations, or changes in the interpretation of those laws, could result in the imposition of fines, civil or criminal penalties, and/or termination of the Organization's rights to participate in federal and state-sponsored programs and suspension or revocation of the Organization's licenses. The Organization believes that it is in material compliance with all applicable laws and regulations.

Allowance for Credit Losses

The Organization periodically assesses its methodology for estimating credit losses in consideration of actual experiences, trends, and changes in the overall economic environment. Grant and other receivables are written off when management determines the collectability of an account is not viable. As of December 31, 2025, management believes that no allowance is required.

**NOTES TO THE FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2025**

(A) NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES – (continued)

Fair Value Considerations

Fair value is used to measure financial and certain nonfinancial assets and liabilities measured or disclosed at fair value on a recurring basis (at least annually). Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants. The fair value hierarchy established and prioritized fair value measurements into three levels based on the nature of the inputs. The hierarchy gives the highest priority to inputs based on market data from independent sources (observable inputs – Level 1) and the lowest priority to a reporting entity's internal assumptions based upon the best information available when external market data is limited or unavailable (unobservable inputs – Level 3).

The fair value option allows entities to choose, at specified election dates, to measure eligible financial assets and financial liabilities at fair value that are not otherwise required to be measured at fair value. If an entity elects the fair value option for an eligible item, changes in that item's fair value in subsequent reporting periods must be recognized in current earnings. The fair value option was not elected for the measurements of any eligible assets or liabilities.

The estimated fair values of each entity's short-term financial instruments (primarily cash and cash equivalents, receivables, accounts payables, accrued expenses, short-term debt and lines of credit) approximate their individual carrying amounts due to the relatively short period between their origination and expected realization or payment. Based on market rates for similar loans, the fair value of long-term debt approximates their carrying value.

Federal Financial Awards

Revenues for direct and indirect federal contracts are recorded on expenses incurred for contracts that are on a cost reimbursement basis and based on the units of service for those contracts which are on a fee for services basis. In the Statement of Activities, these revenues are referred to as 'governmental grants and contracts.' Related contract receivables are referred to as 'contracts and grants receivable' in the Statement of Financial Position.

(B) CONTRACTS AND GRANTS RECEIVABLE

The Organization's contracts and grants receivable at year-end consist of the following:

Mobile Unit/RV	\$ 62,040
Office Equipment	42,204

(D) RELATED PARTY

As of December 31, 2025, the Organization has a zero-interest loan with a related party of \$13,586 to cover operating expenses.

The board hired the son of the Executive Director as an Event Coordinator. For the year ended, December 31, 2025, he received compensation totaling \$37,200.

(E) BOARD OF DIRECTORS COMPENSATION

The Board of Directors is a voluntary board, therefore, no compensation has been paid to any member.

(F) LINE OF CREDIT

The Organization has a \$50,000 line of credit secured by a continued security interest in any and all funds the Organization may now and in the future have on deposit. The line bears interest at a rate of 8.5% per annum with a maturity date of October 5, 2026. As of December 31, 2025, the balance on the line of credit was \$702.

(G) LEASE OBLIGATIONS

The Organization has elected to apply the short-term lease exception to all leases with a term of one year or less. Leases with an initial term of twelve months or less are not recorded on the Statement of Financial Position. Lease expense is recognized for these leases on a straight-line basis over the term of the lease. The Organization leases office and storage space under operating arrangements. Lease expense under the operating leases totaled \$43,470 as of December 31, 2025, and is included in management and general expense on the Statement of Activities.

(H) RISK MANAGEMENT

The Organization is exposed to various risks of loss related to torts; thefts of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The Organization has purchased commercial insurance to cover or reduce the risk of loss that might arise should one of these incidents occur. No claims were made during the year.

**BATON ROUGE BLACK ALCOHOLISM COUNCIL, INC.
D/B/A METRO HEALTH**

**NOTES TO THE FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2025**

(I) ECONOMIC DEPENDENCY

The majority of the Organization's revenues and accounts receivable are from contracts with the Louisiana Department of Health – Office of Public Health (OPH) and the City of Baton Rouge. The contracts are administered by OPH and the City of Baton Rouge under programs funded primarily by federal government grants. If federal funding levels for the programs are reduced, or if the contracts are not renewed, the impact on the organization could be severe.

(J) CONTINGENCIES

The Organization receives a portion of its revenue from federal, state, and local governmental grants and contracts, which are subject to audit by the respective governmental agencies. These financial awards are generally based on allowable costs reported by the Organization and are subject to review for compliance with applicable laws, regulations, and grantor restrictions. As such, there exists a contingency that amounts received could be subject to refund if found to be in excess of allowable costs or in noncompliance with grant terms. Management believes that the outcome of any such audits will not result in a material liability to the Organization, and no provision has been made in the accompanying financial statements for any potential disallowances, as the amounts, if any, cannot be reasonably estimated at this time.

(K) CONCENTRATION OF CREDIT RISK

The Organization maintains accounts with two financial institutions. Accounts at these institutions are insured by the Federal Deposit Insurance Corporation (FDIC) for up to \$250,000. As of December 31, 2025, the Organization had no uninsured cash balances.

(L) LIQUIDITY AND AVAILABILITY

The Organization has \$213,789 of financial assets available within one year of the balance sheet date to meet cash needs for general expenditures consisting of cash of \$9,966 and receivables of \$203,823. None of the financial assets are subject to donor or other contractual restrictions that make them unavailable for general expenditure within one year of the balance sheet date.

(M) SUBSEQUENT EVENTS

The current revolving line of credit renewed on February 5, 2026, under similar terms, maturity was extended to October 5, 2026.

Subsequent events were evaluated through August 12, 2026, which is the date the financial statements were available to be issued.

The Board of Directors
Baton Rouge Black Alcoholism Council, Inc.
Baton Rouge, Louisiana

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, the financial statements of Baton Rouge Black Alcoholism Council, Inc. (a nonprofit organization), which comprise the statement of financial position as of December 31, 2025, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated August 12, 2026.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Baton Rouge Black Alcoholism Council, Inc.'s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion of the effectiveness of Baton Rouge Black Alcoholism Council, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Baton Rouge Black Alcoholism Council, Inc.'s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Baton Rouge Black Alcoholism Council, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed an instance of noncompliance or other matters that are required to be reported under *Government Auditing Standards* and which are described in the accompanying Schedule of Findings and Questioned Costs as item 2025-001.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
