INDEPENDENT ACCOUNTANT'S REVIEW REPORT

To the Board of Trustees of St. John #5 Baptist Church

We have reviewed the accompanying financial statements of St. John #5 Baptist Church (a nonprofit organization), which comprise the statement of financial position as of December 31, 2021, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

Accountant's Responsibility

Our responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusion.

We are required to be independent of St. John #5 Baptist Church and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements related to our review.

Accountant's Conclusion

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2021**

NOTE 1 – BACKGROUND AND NATURE OF OPERATIONS

St. John #5 Baptist Church, Inc. (St. John) is a non-profit corporation organized under the laws of the State of Louisiana. Its mission is to provide positive community responses to people affected by HIV/AIDS and reduce the spread of HIV/AIDS through education and testing in New Orleans and its' surrounding area. The agency's operations are funded primarily through federal and state grants, and private foundations.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

St. John's financial statements are prepared on the accrual basis of accounting, whereby revenue is recorded when earned and expenses are recorded when incurred.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

Property and Equipment

Improvements which significantly extend the useful life of an asset and purchases of equipment are capitalized. The straight-line method of depreciation is used for the assets owned by St. John. Depreciation is provided at rates based upon estimated useful lives of these assets ranging from 3 to 27 years.

Income Taxes

St. John has been determined to be tax exempt under Section 501(c)(3) of the Internal Revenue Code. Therefore, no provision for income taxes is made in the accompanying financial statements.

Cash

Cash is comprised of cash on hand and in banks.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Functional Allocation of Expenses

The costs of providing the various programs and activities have been summarized on a functional basis in the statement of activities. Accordingly, program and support service expenses are specifically identified with or allocated to the Agency's various functions. Expenses requiring allocation include services provided by the Agency's management and administrative staff to specific program-related activities. Expense allocations are prorated based on a percentage of time or actual usage.

Revenue Recognition

Contributions, including promises to give, are considered conditional or unconditional, depending on the nature and existence of any donor or grantor conditions.

A contribution or promise to give contains a donor or grantor condition when both of the following are present:

- An explicit identifying of a barrier, that is more than trivial, that must be overcome before the revenue can be earned and recognized.
- An implicit right of return of assets transferred or a right of release of a donor or grantor's obligation to transfer assets promised, if the condition is not met.

Unconditional contributions, or conditional contributions in which the conditions have been substantially met or explicitly waived by the donor, are recorded as revenue with or without donor restrictions, depending on the existence and nature of any donor restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. Conditional contributions are recognized when the barriers to entitlement are overcome, and the promises become unconditional. Unconditional contributions are recognized as revenue when received. Grants are either recorded as contributions or exchange transactions based on criteria contained in the grant award. Exchange transactions are reimbursed based on a predetermined rate for services performed. The revenue is recognized in the period the service is performed.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Recently Issued Financial Accounting Pronouncements

In 2016, the FASB issued ASU No. 2016-02, Leases (Topic 842), which is intended to improve financial reporting on leasing transactions. ASU No. 2016-02 will require lessees to recognize right of use assets and lease obligations for operating and finance leases under terms greater than 12 months. ASU No. 2016-02 must be applied modified retrospectively. On June 3, 2020, FASB issued ASU No. 2020-05, *Revenue from Contracts with Customers (Topic 606) and Leases (Topic 842)* that extended the effective date for certain entities, including the Organization, to annual periods beginning after December 15, 2021. The Organization is currently evaluating the effects of this ASU.

NOTE 3 – ECONOMIC DEPENDENCY

St. John receives the majority of its revenues from governmental grant funding and contributions from the Ministry's congregation. During the year ended December 31, 2021, approximately 65% of total support and revenue was received from governmental grants. If significant budget cuts are made at the state and/or federal level, the amount of funds the Ministry receives could be reduced significantly and could have an adverse impact on its operations.

NOTE 4 – GRANTS RECEIVABLE

Grants receivable consists of outstanding payments from State of Louisiana Grant Funds which totaled \$17,329. These amounts are deemed collectible, and as such, there has been no provision made for an allowance for doubtful accounts.

NOTE 5 – FIXED ASSETS

Fixed assets consist of the following at December 31, 2021:

Buildings	\$ 379,618
Furniture & Equipment	29,307
Vehicles	33,200
	<hr/>
	442,125
Accumulated Depreciation	(377,643)

NOTE 7 – NOTES PAYABLE

The Organization obtained financing from the Small Business Administration through the Payroll Protection Program (PPP) as part of the Coronavirus Aid, Relief, and Economic Security Act (CARES) in the amount of \$25,850. NOTE 9 – COVID-19 GLOBAL PANDEMIC

In December 2019, an outbreak of a novel strain of coronavirus (COVID-19) spread across multiple countries, including the United States. On March 11, 2020, the World Health Organization characterized COVID-19 as a pandemic. In addition, multiple jurisdictions in the United States have declared a state of emergency. It is anticipated that these impacts will continue for some time. Future potential impacts may include disruptions in operations.

ATTESTATION REPORT

Independent Accountant's Report
on Applying Agreed-Upon Procedures

To St. John #5 Baptist Church and the Louisiana Legislative Auditor:

We have performed the procedures enumerated below, which were agreed to by St. John #5 Baptist Church and the Louisiana Legislative Auditor (the specified parties), on the Agency's compliance with certain laws and regulations contained in the accompanying Louisiana Attestation Questionnaire during the fiscal year ended December 31, 2021, as required by Louisiana Revised Statute 24:513 and the *Louisiana Governmental Audit Guide*. The Agency's management is responsible for its financial records and compliance with applicable laws and regulations. The sufficiency of these procedures is solely the responsibility of the specified parties. Consequently, we make no representation regarding the sufficiency of the procedures enumerated below either for the purpose for which this report has been requested or for any other purpose.

The procedures and associated findings are as follows:

Federal, State, and Local Awards

- 1. Obtain the list of federal, state, and local government grant award expenditures for the fiscal year, by grant and grant year, from the Agency's management.**

St. John #5 Baptist Church provided LSC with the following list of expenditures made for the federal grant award received during the fiscal year ended December 31, 2021:

Federal, State, or Local Grant Name	Grant Year	CFDA No. (if applicable)	Amount
Louisiana's Office of Public Health STD/HIV Program	07/01/2020 – 06/30/2021	93.940	\$61,110.00
Louisiana's Office of Public Health STD/HIV Program	07/01/2021 – 06/30/2022	93.940	\$59,590.00
Total Expenditures			\$120,700.00

- 2. For each federal, state, and local grant award, randomly select six disbursements from each grant administered during the fiscal year, provided that no more than 30 disbursements are selected.**

We randomly selected six disbursements from the grant program administered during the fiscal year by St. John #5 Baptist Church.

- 3. Obtain documentation for the disbursements selected in Procedure 2. Compare the selected disbursements to supporting documentation, and report whether the disbursements agree to the amount and payee in the supporting documentation.**

We obtained the supporting documentation for five of the six disbursements selected in Procedure 2. The amount and payee in the supporting documentation agrees for four of the six disbursements.

- 4. Report whether the selected disbursements were coded to the correct fund and general ledger account.**

Five of the six disbursements were coded correctly on the general ledger.

- 5. Report whether the selected disbursements were approved in accordance with the Agency's policies and procedures.**

St. John #5's accounts payable policies and procedures state that the Executive Director and Project Director are responsible for reviewing and approving every invoice for payment prior to submitting check requests to the Director for authorization. We noted that five of the six selected disbursements tested correctly followed the approval process as described by management.

- 6. For each selected disbursement made for federal grant awards, obtain the Compliance Supplement for the applicable federal program. For each disbursement made for a state or local grant award, or for a federal program not included in the Compliance Supplement, obtain the grant agreement. Compare the documentation for each disbursement to the program compliance requirements or the requirements of the grant agreement relating to activities allowed or unallowed, eligibility, and reporting; and report whether the disbursements comply with these requirements.**

Activities allowed or unallowed

We compared documentation for five of the six selected disbursements with program compliance requirements related to services allowed or not allowed. No exceptions were noted.

Eligibility

We compared documentation for five of the six selected disbursements with program compliance requirements related to eligibility. No exceptions were noted.

Reporting

We compared documentation for five of the six selected disbursements with program compliance requirements related to reporting. No exceptions were noted.

- 7. Obtain the close-out reports, if required, for any program selected in Procedure 2 that was closed out during the fiscal year. Compare the close-out reports, if applicable, with the Agency's financial records; and report whether the amounts in the close-out reports agree with the Agency's financial records.**

We obtained the close-out reports for the fiscal period ended December 31, 2021. The balances reported on the close-out report do not agree to the financial information received from St. John #5 Baptist Church.

Open Meetings

- 8. Obtain evidence from management that agendas for meetings recorded in the minute book were posted as required by Louisiana Revised Statute 42:11 through 42:28 (the open meetings law), and report whether there are any exceptions. Note: Please refer to Attorney General Opinion No. 13-0043 and the guidance in the publication "Open Meeting FAQs," available on the Legislative Auditor's website at <http://app1.la.state.la.us/llala.nsf>, to determine whether a non-profit agency is subject to the open meetings law.**

The Agency did not have any meetings during 2021 that were subject to the Open Meetings law.

Budget

- 9. For each grant exceeding five thousand dollars, obtain the comprehensive grant budgets that the agency provided to the applicable federal, state or local grantor agency. Report whether the budgets for federal, state and local grants included the purpose and duration of the grants; and whether budgets for state grants also included specific goals, objectives, and measures of performance.**

St. John #5 Baptist Church provided a copy of the program budget. The budget contained information pertaining to the grant duration period and its purpose. Grant service benchmarks and objectives were also included in the information provided.

State Audit Law

10. Report whether the agency provided for a timely report in accordance with R.S. 24:513.

The agency's report was submitted to the Legislative Auditor before the statutory due date of June 30, 2022.

11. Inquire of management and report whether the agency entered into any contracts that utilized state funds as defined in R.S. 39:72.1 A. (2); and that were subject to the public bid law (R.S. 38:2211, et seq.), while the agency was not in compliance with R.S. 24:513 (the audit law).

The Agency's management represented that the Agency did not enter into any contracts during the fiscal year that were subject to the public bid law.

Prior-Year Comments

12. Obtain and report management's representation as to whether any prior year suggestions, exceptions, recommendations, and/or comments have been resolved.

The agency had no findings in the prior year.

This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants, and the standards applicable to attestation engagements contained in *Government Auditing Standards*, issued by the United States Comptroller General. We were not engaged to and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on the Agency's compliance with the foregoing matters. Accordingly, we do not express such an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

The purpose of this report is solely to describe the scope of testing performed on the Agency's compliance with certain laws and regulations contained in the accompanying Louisiana Attestation Questionnaire, as required by Louisiana Revised Statute 24:513 and the Louisiana Governmental Audit Guide, and the result of that testing, and not to provide an opinion on control or compliance. Accordingly, this report is not suitable for any other purpose. Under Louisiana Revised Statute 24:513, this report is distributed by the Louisiana Legislative Auditor as a public document.
