ACCOUNTANTS' COMPILATION REPORT

Dr. L.J. Mayeux
Avoyelles Parish Coroner's Office
Marksville, Louisiana

Management is responsible for the accompanying financial statements of the governmental activities of the Avoyelles Parish Coroner's Office, a component unit of the Avoyelles Parish Police Jury, as of and for the year ended December 31, 2017, which collectively comprise the Avoyelles Parish Coroner's Office's basic financial statements as listed in the table of contents, in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements.

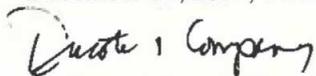

Management has elected to omit substantially all disclosures that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context.

Supplementary Information

The supplementary information contained on page six is presented for purposes of additional analysis and is not a required part of the basic financial statements. This information is the representation of management. The information was subject to our compilation engagement, however, we have not audited or reviewed the supplementary information and, accordingly, do not express an opinion, a conclusion, nor provide any form of assurance on such supplementary information.

The Avoyelles Parish Coroner's Office did not adopt the provisions of Governmental Accounting Standards Board Statement No. 34 for the year ended December 31, 2017. The effects of this departure from generally accepted accounting principles have not been determined.

We are not independent with respect to the Avoyelles Parish Coroner's Office as of and for the year ended December 31, 2017, because we performed certain accounting services that impaired our independence.
