Independent Auditor's Report

To the Board of Directors
Weese Providers Corporation
Batchelor, Louisiana

Report on the Financial Statements

I have audited the accompanying financial statements of **Weese Providers Corporation (the Organization)** (a nonprofit organization), which comprise the statement of financial position as of September 30, 2019, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on the financial statements based on my audit. I conducted my audit in accordance with auditing standards generally accepted by the United States of America and the standards applicable to financial audits contained in *Governmental Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

WEESE PROVIDERS CORPORATION

Independent Auditor's Report

For the Year Ended September 30, 2019

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Opinion

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of **Weese Providers Corporation** as of September 30, 2019, and the changes in its net assets and its cash flows for the year ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

My audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards is presented for additional analysis as required by Title 2 U. S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*. Also, schedules on page 22 through 25 as required by the Louisiana Department of Education, and the schedule of Compensation, Benefits, and Other Payments to the Executive Director as required by LRS 24:513 on page 26, are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statement themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In my opinion, the information is fairly stated, in all material respects in relation to the basic financial statements as a whole.

Other Reporting Required by Governmental Auditing Standards

In accordance with Governmental Auditing Standards, I have also issued my report dated March 3, 2020, on my consideration of the **Organization's** internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of my testing of internal controls over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering **the Organization's** internal control over financial reporting and compliance.

Weese Providers Corporation

Notes to the Financial Statements
For the Year Ended September 30, 2019

Note 1 – Summary of Significant Accounting Policies

A. Organization

Weese Providers Corporation, is a nonprofit organization operating under the provisions of the Louisiana Non-Profit Corporation Law, Louisiana Revised Statute 12:201-12:269 (1950 as amended) and chartered by the Secretary of State. It was organized exclusively for educational and/or charitable purposes, including but not limited to the administration of the Child Care Food Program, Section 17 of the National School Lunch Act. Under the provisions of this program, individuals who care for a small number of children in their homes are reimbursed for the cost of meals served to the children. **Weese Providers Corporation** through its personnel monitors the composition of the meals to assure nutritional values, make routine inspections of the homes to assure safety of the children who stay there, and act as intermediary between the state and federal agencies that administer funds and the providers who care for the children.

B. Basis of Accounting and Financial Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board's (FASB) Accounting Standard Codification (ASC) 958, *Not-for-Profit Entities*. Under FASB ACS 958, **the Organization** reports information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions. Net assets without donor restrictions include those net assets whose use by **the Organization** is not restricted by donors, even though their use may be limited in other respects, such as by contract or board designation. Net assets with donor restrictions are those net assets received with donor-imposed restrictions limiting **the Organization's** use of the assets. **The Organization's** net assets with donor restrictions at September 30, 2019 consist of donations received from Louisiana Department of Education to fund the Child and Adult Care Food Program.

C. Net Assets Released from Restrictions

Expiration of temporary restrictions of net assets (i.e., donor-stipulated purpose has been fulfilled and/or the stipulated time has elapsed) are reported as reclassifications between the applicable classes of net assets.

WEESE PROVIDERS CORPORATION

Notes to the Financial Statements

For the Year Ended September 30, 2019

D. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results may differ from those estimates.

E. Reimbursements Receivable

Management deems all accounts receivable collectible; accordingly, no allowance for doubtful accounts is required. If amounts become uncollectible, they will be charged to operations when the determination is made.

F. Contributions

Contributions represent cash donations to **the Organization** by the Sponsor and are recognized as support when received. Contributions received and not subject to donor restrictions are reported in net assets as "Without Donor Restrictions".

G. Functional Expenses

The cost of providing the program services and other activities have been summarized on a functional basis in the statement of activities. The statement of functional expenses presents the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

H. Equipment and Furniture

The Organization's equipment and furniture is expensed when purchased. No depreciation is calculated.

I. Income Taxes

Weese Providers Corporation qualifies as a tax-exempt organization under Section 501(c)(4) of the Internal Revenue Code and comparable Louisiana law. Accordingly, no provision for income taxes has been made in these financial statements.

J. Statement of Cash Flows

The Organization is required to present a statement of cash flows. For purposes of the Statement of Cash Flows, **the Organization** considers all highly liquid debt investments purchased with a maturity of three months or less to be cash equivalents.

WEESE PROVIDERS CORPORATION

Notes to the Financial Statements

For the Year Ended September 30, 2019

K. Liquidity Management

As of September 30, 2019, **the Organization** has financial assets of \$2,363.43 in cash, with \$2,136.50 subject to donor restrictions and a remaining balance of \$226.93 which could be made readily available within one year of the statement of financial position date to meet general expenditures. As a part of its liquidity management, the organization has a policy to structure its financial assets to be made available as general expenditures, liabilities, and other obligations become due.

L. Recent Accounting Pronouncement – Adopted

In August 2016, the FASB issued ASU 2016-14, Not for Profit entities (Topic 958): Presentation of Financial Statements of Not-for-Profit Entities. The update addresses the complexity and understandability of net asset classification, deficiencies in information about liquidity and availability of resources, and lack of consistency in the type of information provided about expenses and investment return. **The Organization** implemented ASU 2016-14 and has adjusted the presentation of these financial statements accordingly. The ASU has been applied retrospectively to the period presented which resulted in no reclassification of net assets.

Note 2 - Cash

At September 30, 2019, **the Organization** has cash (book balance) totaling \$2,363.43, which is in a noninterest-bearing demand account. The deposits are stated at cost, which approximate market and are fully secured by federal deposit insurance.

Note 3 – Reimbursements Receivables

Reimbursements receivable represent reimbursements due from the Louisiana Department of Education for meals served during the month of September 2019.

Provider Reimbursement Receivable	\$149,642.59
Administrative Reimbursement Receivable	<u>31,656.00</u>
Total Reimbursements Receivable	<u>\$181,298.59</u>

Note 4 – Concentration of Revenues

The Organization receives a large amount of its revenues from one major source, the Louisiana Department of Education. Revenue is based on the number of meals served by providers to children at the approved meal rates. Meal rates are determined on July 1 of each year by the Louisiana Department of Education. Meals served and approved meal rates are reported in the *Schedule of Meals Served and Program Reimbursements*. The revenue from this source represents 99.0% of the organizations total revenues during the year ended September 30, 2019.

WEESE PROVIDERS CORPORATION

Notes to the Financial Statements

For the Year Ended September 30, 2019

Note 5 – Funds Held on Behalf of Others

The Organization acts as a custodian for the Fire Marshal funds. Funds held for fire inspections at September 30, 2019 amounted to \$247.00, and is reported as both an asset (restricted cash) and a liability (Funds held on behalf of others). Consequently, there is no effect on the organization's net assets.

Note 6 - Office Space

The Organization's office space is located at 8253 Louisiana Highway 418, Batchelor, Louisiana is donated by the Executive Director. **The Organization** is not required to pay a lease on the property and has elected not to record the benefit of the contribution.

Note 7 – Related Party Transactions

Due to General Fund represents amounts loaned to the Child and Adult Care Food Program by the Asst. Executive Director to cover administrative costs for the month of September 2019, until reimbursement is received from the Louisiana Department of Education. There is no written agreement for the loan and no accrued interest.

Note 8 – Due to Providers

Due to providers represents amounts owed to providers for the cost of meals served during the months of August and September 2019.

Note 9 – Board of Director

The management of **Weese Providers Corporation** is vested in a Board of Directors which consists of three members who serve without compensation.

Note 10 – Board Designation of Net Assets

At September 30, 2019, **the Organization's** Board has not designated any portion of net assets for specific purposes.

Note 11– Subsequent Events

Management is required to evaluate events or transactions that may occur after the statement of financial position date for potential recognition or disclosure in the financial statements. Management performed such an evaluation through March 3, 2020, the date that the financial statements were available to issue, and noted no subsequent events or transactions that occurred after the statement of financial position date requiring recognition or disclosure.

**INDEPENDENT AUDITOR'S REPORTS
REQUIRED BY *UNIFORM GUIDANCE* AND
*GOVERNMENT AUDITING STANDARDS***

Independent Auditor's Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on An Audit of Financial Statements Performed In Accordance With Government Auditing Standards

To the Board of Directors
Weese Providers Corporation
Batchelor, Louisiana

I have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of United States the financial statements of **Weese Providers Corporation (the Organization)** which comprise the statement of financial position as of September 30, 2019, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued my report thereon dated March 3, 2020.

Internal Control Over Financial Reporting

In planning and performing my audit of the financial statements, I considered **the Organization's** internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing my opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of **the Organization's** internal control. Accordingly, I do not express an opinion on the effectiveness of **the Organization's** internal control.

A *deficiency in internal controls* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention of those charged with governance.

My consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during my audit I did not identify any deficiencies in internal control that I consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

WEESE PROVIDERS CORPORATION

Independent Auditor's Report on Internal Control Over Financial Reporting
And on Compliance and Other Matters Based on an Audit of Financial
Statements Performed in Accordance With *Government Auditing Standards*

Compliance and Other Matters

As part of obtaining reasonable assurance about whether **the Organization's** financial statements are free from material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit, and accordingly, I do not express such an opinion. The results of my tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose; however, under Louisiana Revised Statue 24:513, this report is distributed by the office of the Legislative Auditor as a public document.

Roslyn J. Johnson, LLC

Roslyn J. Johnson, LLC
Baton Rouge, Louisiana
March 3, 2020

**Independent Auditor's Report on Compliance For Each Major Program And On
Internal Control Over Compliance Required by the *Uniform Guidance***

To the Board of Directors
Weese Providers Corporation
Batchelor, Louisiana

Report on Compliance for Each Major Federal Program

I have audited the compliance of **Weese Providers Corporation (the Organization)** with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct material effect on each major federal program for the year ended September 30, 2019. **The Organization's** major federal program is identified in the summary of auditor's results section of the accompanying Schedule of Findings and Questioned Costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal program.

Auditor's Responsibility

My responsibility is to express an opinion on compliance for **the Organizations'** major federal program based on my audit of the types of compliance requirements referred to above. I conducted my audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States of America; and the audit requirements of Title 2 U. S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that I plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about **the Organization's** compliance with those requirements and performing such other procedures as I considered necessary in the circumstances.

I believe that my audit provides a reasonable basis for my opinion on compliance for each major federal program. However, my audit does not provide a legal determination of **the Organization's** compliance.

Opinion on Each Major Federal Program

In my opinion, **Weese Providers Corporation** complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended September 30, 2018.

WEESE PROVIDERS CORPORATION

Independent Auditor's Report on Compliance for Each Major Program and On Internal Control Over Compliance Required By the *Uniform Guidance*

Report on Internal Control Over Compliance

Management of **the Organization** is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing my audit of compliance, I considered **the Organization's** internal control over compliance with the types of compliance requirements that could have a direct and material effect on a major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control for the purpose of expressing my opinion on compliance, and to test and report on internal control over compliance in accordance with the *Uniform Guidance*, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, I do not express an opinion on the effectiveness of **the Organization's** internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

My consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. I did not identify any deficiencies in internal control over compliance that I consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Purpose of This Report

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the *Uniform Guidance*. This information is intended for the information and use of management, the

WEESE PROVIDERS CORPORATION

Independent Auditor's Report on Compliance for Each Major
Program and On Internal Control Over Compliance Required
By the *Uniform Guidance*

Legislative Auditor for the State of Louisiana, state and federal awarding agencies and is not intended to be and should not be used by anyone other than those specific parties. Accordingly, this report is not suitable for any other purpose; however, under Louisiana Revised Statute 24:513, this report is distributed by the Office of the Legislative Auditor as a public document.
