INDEPENDENT AUDITORS' REPORT

To the Board of Directors of
St. John Association for Retarded Citizens, Inc.

Report on the Financial Statements

We have audited the accompanying financial statements of St. John Association for Retarded Citizens, Inc. (the Association) which comprise the statements of financial position as of June 30, 2019 and 2018, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of St. John Association for Retarded Citizens, Inc. as of June 30, 2019 and 2018, and the changes in its net assets and cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed in Note 1 to the financial statements, the Association adopted Accounting Standards Update No. 2016-14 Not-for-Profit Entities (Topic 958), *Presentation of Financial Statements of Not-for-Profit Entities*, in the current year related to the presentation of financial statements. Our opinion is not modified with respect to this matter.

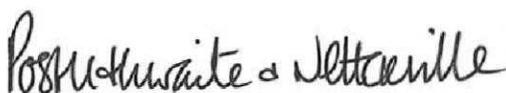

Other Matters

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplemental schedule of compensation, benefits, and other payments to agency head as listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated December 18, 2019, on our consideration of the Association's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Association's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Association's internal control over financial reporting and compliance.

NOTES TO FINANCIAL STATEMENTS

1. Summary of Significant Accounting Policies

Organization

St. John Association for Retarded Citizens, Inc. (the Association) is a 501 (c) (3) non-profit corporation founded for the purpose of helping citizens with mental retardation and developmental disabilities and was incorporated on October 30, 1972, under the laws of the State of Louisiana. The Association operates a Day Developmental Work-Training Center and an Individual Family Support Services program. The day developmental work-training center trains the mentally and physically handicapped citizens of the parish who are 21 years of age and older. The areas of training are geared toward helping the individuals adjust to society. The Association also provides free transportation for all activities including daily instruction classes. The individual family support service provides twenty-four hour a day in-home care by trained workers and is available for mentally handicapped citizens of all ages.

Basis of Accounting and Financial Statement Presentation

The financial statements of the Association have been prepared on the accrual basis of accounting in accordance with U.S. generally accepted accounting principles (US GAAP). US GAAP requires the Association to report information regarding its financial position and activities according to the following net asset classifications:

Net assets without donor restrictions – Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Association. These net assets may be used at the discretion of the Association's management and board of directors.

Net assets with donor restrictions – Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Association or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity. The Association has net assets with donor restrictions related to the contributed use of its facility which is restricted as to time (see Note 6).

Donor restricted contributions are reported as increase in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statements of activities.

Cash and Cash Equivalents

Cash consists of amounts held at financial institutions. For purposes of the statements of cash flows, the Association considers all highly liquid investments with initial maturity of three months or less to be cash equivalents. The Association had no cash equivalents as of June 30, 2019 and 2018.

ST. JOHN ASSOCIATION FOR RETARDED CITIZENS, INC.

NOTES TO FINANCIAL STATEMENTS

1. Summary of Significant Accounting Policies (continued)

Contract Receivables

Contract receivables are stated at unpaid balances, less an allowance for doubtful accounts, if required. The Association provides for uncollectible amounts through a provision for bad debt expense and an adjustment to a valuation allowance based on its assessment of the current status of individual accounts. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to accounts receivable. The allowance for doubtful accounts was zero for the years ended June 30, 2019 and 2018.

Property and Equipment

All acquisitions of property and equipment in excess of \$500 and all expenditures for repairs, maintenance, renewals, and betterments that materially prolong the useful lives of assets are capitalized. Property and equipment are carried at cost.

Donations of property and equipment are recorded as contributions at fair value on the date of donation. Such donations are reported as increased in net assets without donor restriction unless the donor has restricted the donated asset to a specific purpose.

Property and equipment are depreciated using the straight-line method over their estimated useful lives as follows:

Buildings and improvements	10-39 years
Land improvements	15 years
Equipment, furniture, and fixtures	5-20 years
Vehicles	5 years

Ad Valorem Tax

The citizens of St. John the Baptist Parish passed Proposition II on April 3, 1993. In 2012, Proposition II was renewed and will levy a one mill tax on all the property within the Parish for a period of ten years beginning with the year 2013 and ending with year 2022. The ad valorem funds are to be used for maintaining and operating the public building used to house mentally retarded persons (including payment of salaries and costs and conducting training programs for the mentally retarded and developmentally disabled citizens).

Contract Revenue

Contract revenue is recognized on the accrual basis of accounting as services are provided.

ST. JOHN ASSOCIATION FOR RETARDED CITIZENS, INC.

NOTES TO FINANCIAL STATEMENTS

1. Summary of Significant Accounting Policies (continued)

Compensated Absences

Salaried employees of the Association accrue leave time of one day for each operational month. Leave must be taken by June 30 each year or the leave time is lost. Accordingly, the financial statements do not include a provision for compensated absences.

Contributed Services

Members of the Association's board of directors and other volunteers have made significant contributions of their time to assist in the Association's operations and related charitable programs. The value of this contributed time is not recorded in these financial statements because it does not meet the criteria for recognition under US GAAP.

Functional Expenses

Expenses are charged directly to management and general or program services in general categories based on specific identification. Indirect expenses have been allocated using the following methodologies: Salaries and employee-related expenses – time and effort; occupancy and other expenses – management's estimate of usage of the leased premises.

Use of Estimates

The preparation of financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Concentration of Credit Risk

The Association maintains cash in bank accounts in excess of insured limits periodically. The Association has not experienced any losses and does not believe that significant credit risk exists as a result of this practice.

Income Taxes

The Association is exempt from income tax under IRC section 501(c)(3), though subject to tax on income unrelated to its exempt purpose, unless that income is otherwise excluded by the Code. The Association has processes presently in place to ensure the maintenance of its tax-exempt status; to identify and report unrelated income; to determine its filing and tax obligations in jurisdictions for which it has nexus; and to identify and evaluate other matters that may be considered tax positions. The Association has determined that there are no material uncertain tax positions that require recognition or disclosure in the financial statements.

NOTES TO FINANCIAL STATEMENTS

1. Summary of Significant Accounting Policies (continued)

Recently Adopted Accounting Standards

As of July 1, 2018 the Association adopted Accounting Standards Update (ASU) No. 2016-14: Not-for-Profit Entities (Topic 958), *Presentation of Financial Statements of Not-for-Profit Entities*. Under the ASU, the number of net asset classes is decreased from three to two; reporting of expenses by function and nature, as well as an analysis of expenses by both function and nature is required; and qualitative information in the notes to the financial statements on how it manages its liquid available resources and liquidity risks is required. The adoption of ASU 2016-14 had no impact on the Association's total net assets.

As of July 1, 2018, the Association adopted ASU No. 2016-18: *Statement of Cash Flows (Topic 230): Restricted Cash*, which requires the inclusion of restricted cash with cash when reconciling the beginning of period and end of period total amounts shown on the statement of cash flows. The adoption of ASU 2016-18 had no impact on the Association's total net assets.

Accounting Pronouncements Issued but Not Yet Adopted

In June 2018, the Financial Accounting Standards Board (FASB) issued ASU No. 2018-08 Not-for-Profit Entities (Topic 958), *Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made* to clarify and improve the scope and the accounting guidance for contributions received and contributions made. The amendments in this ASU should assist entities in (1) evaluating whether transactions should be accounted for as contributions (nonreciprocal transactions) within the scope of Topic 958, Not-for-Profit Entities, or as exchange (reciprocal) transactions subject to other guidance and (2) determining whether a contribution is conditional. This ASU will be effective for the Association's year ending June 30, 2020.

The FASB has issued ASU 2014-09, *Revenue from Contracts with Customers*, to update its revenue recognition standard to clarify the principles of recognizing revenue and eliminate industry-specific guidance as well as help financial statement users better understand the nature, amount, timing, and uncertainty of revenue that is recognized. This ASU will be effective for the Association's year ending June 30, 2020.

In February 2016, the FASB issued ASU 2016-02, *Leases*. This accounting standard requires lessees to recognize assets and liabilities related to lease arrangements longer than 12 months on the balance sheet as well as additional disclosures. In July 2018, the FASB issued ASU 2018-11, *Leases (Topic 842): Targeted Improvements*, to simplify the lease standard's implementation. The amended guidance relieves businesses and other organizations of the requirement to present prior comparative years' results when they adopt the new lease standard. Instead of recasting prior year results using the new accounting when they adopt the guidance, companies and other organizations can choose to recognize the cumulative effect of applying the new standard to leased assets and liabilities as an adjustment to the opening balance of retained earnings. This ASU will be effective for the Association's year ending June 30, 2022.

The Association is currently evaluating the impact these pronouncements will have on the financial statements.

Reclassifications

Certain prior year amounts have been reclassified to conform to the current year presentation.

2. Liquidity and Availability

The table below presents the Association's financial assets available for general expenditures within one year at June 30, 2019:

Total assets:	\$ 4,470,625
Less: non-financial assets	
Prepaid expenses	8,326
Property and equipment, net	653,148
Financial assets	<u>\$ 3,809,151</u>
Less: funds designated for long-term purposes	<u>1,896,411</u>
Financial assets available for general expenditures over the next 12 months	<u>\$ 1,912,740</u>

The financial state of the Association is overseen by its board of directors. The Association's goal is to maintain financial assets that will meet three months operating expenses. The financial assets of the Association are held in savings or other-interest bearing accounts. In addition, the Association has a \$50,000 line of credit available to meet cash flow needs.

3. Cash

Cash in the statements of cash flows includes the following:

	<u>2019</u>	<u>2018</u>
Cash	\$ 1,224,694	\$ 1,821,137
Cash designated for long-term purposes	1,896,411	1,497,032
Total cash	<u>\$ 3,121,105</u>	<u>\$ 3,318,169</u>

Cash designated for long-term purposes represents funds that the Association has earmarked for the construction of a new facility.

SUPPLEMENTAL SCHEDULE

ST. JOHN ASSOCIATION FOR RETARDED CITIZENS, INC.

**SCHEDULE OF COMPENSATION, BENEFITS AND OTHER PAYMENTS TO AGENCY
HEAD OR CHIEF EXECUTIVE OFFICER
JUNE 30, 2019**

Agency Head Name: Linda Lambert

R.S. 24:513 (A) (3) requires reporting of the total compensation, reimbursements, and benefits paid to the agency head or chief executive officer. This law was further amended by Act 462 of the 2015 Regular Session which clarified that nongovernmental or not for profit local auditees are required to report only the compensation, reimbursements, and benefits paid to the agency head or chief executive officer paid from public funds.

The Association is not required to report the total compensation, reimbursements, and benefits paid to the agency head as these costs are not supported by public funds.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors of
St. John Association for Retarded Citizens, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of St. John Association for Retarded Citizens, Inc. (the Association)(a nonprofit organization), which comprise the statement of financial position as of June 30, 2019, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements, and have issued our report thereon dated December 18, 2019.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Association's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control. Accordingly, we do not express an opinion on the effectiveness of the Association's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

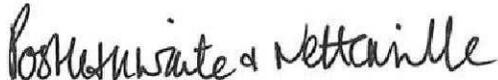

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Association's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Association's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Association's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
