#### INDEPENDENT AUDITORS' REPORT

To the Partners and Management of Villa Gardens Limited Partnership Lafayette, Louisiana

We have audited the accompanying financial statements of Villa Gardens Limited Partnership (a Louisiana Limited Partnership), which comprise the balance sheets as of December 31, 2019 and 2018 and the related statements of operations, partners' equity (deficit), and cash flows for the years then ended, and the related notes to the financial statements.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Governmental Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Villa Gardens Limited Partnership as of December 31, 2019 and 2018, and the results of its operations, changes in partners' equity (deficit) and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### Report on Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The Schedule of Expenses, the Schedule of Operating Income and Expense Variances – AMEC Model to Actual Comparisons, the Computation of Surplus Cash, Distributions, and Residual Receipts – LHC – Tax Credit Assistance Program, the TCAP Computation of Surplus Cash, and the Schedule of Compensation, Benefits, and Other Payments to the Agency Head or Chief Executive Officer are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

#### Other Reporting Required by Government Auditing Standards

Little & associates, LIC

In accordance with *Government Auditing Standards*, we have also issued our report dated March 17, 2020, on our consideration of Villa Gardens Limited Partnership's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Villa Gardens Limited Partnership's internal control over financial reporting and compliance.

#### NOTE A - REPORTING ENTITY AND OPERATIONS

Villa Gardens, Limited Partnership, (the Partnership) was formed as a limited partnership under the laws of the State of Louisiana on November 5, 2009, for the purpose to acquire, construct, own, finance, lease, and operate a qualified low income housing project (the Property) within the meaning of Section 42 of the Internal Revenue Code.

The Property consists of a 43 unit, single-family home rental complex, located in Lafayette, Louisiana and was placed in service on March 23, 2011. The Property is eligible for Low-Income Housing Tax Credits established under the program described in Section 42 of the Internal Revenue Code (low-income housing tax credit) which regulates the use of the Property with respect to occupant eligibility and unit rent levels, among other requirements.

The major activities and operations of the Partnership are governed by the Amended and Restated Articles of Partnership (the Partnership Agreement) and are subject to the administrative directives, rules, and regulations of federal and state regulatory agencies, including but not limited to, LHC (formerly the Louisiana Housing Finance Agency). Such administrative directives, rules, and regulations are subject to change by federal and state agencies.

#### NOTE B – PARTNERSHIP AND PARTNERS

Pursuant to the Partnership Agreement, the Partnership is comprised of three partners (collectively, the Partners). The Partnership's general partner, Lafayette Housing Authority (the General Partner); a limited partner, Hudson Villa Gardens LP (the Limited Partner); and, a special limited partner, Hudson SLP LLC (the Special Limited Partner).

The Housing Authority of the City of Lafayette, Louisiana (the Housing Authority) is obligated to guarantee the obligations of the General Partner, pursuant to an Unconditional Guaranty executed by the Housing Authority.

On September 21, 2011, the Special Limited Partner assigned its interest in the Partnership to Hudson VG SLP LLC, which now acts as the Partnership's Special Limited Partner.

As the result of certain circumstances precluding the General Partner from meeting its obligations under the Partnership Agreement, on September 26, 2011, the Special Limited Partner exercised certain of its rights under the Partnership Agreement to cause the authority of the General Partner to be restricted and to require that the Special Limited Partner provide consent to any and all actions of the General Partner.

On January 16, 2012, the Construction Loan matured. Following this maturity, the Construction Loan became subject to remedies of the Construction/Permanent Lender, which remedies include acceleration of the Construction Loan, termination of the permanent loan commitment and/or initiation of foreclosure proceedings.

As the result of non-performance by the General Partner under the provisions of the Partnership Agreement and as the result of the technical default of the Partnership under the Construction Loan, the Special limited Partner issued a Notice of Default to the General Partner on February 3, 2012. This Notice of Default allowed for a 30-day cure period as prescribed by the Partnership Agreement.

#### NOTE B – PARTNERSHIP AND PARTNERS (CONTINUED)

The General Partner failed to respond to the Notice, and failed to cure the cited defaults within the prescribed cure period.

On March 7, 2012, the Special Limited Partner took action to remove Villa Gardens Housing Corporation as the general partner of the Partnership.

Concurrent with the removal of Villa Gardens Housing Corporation as the general partner of the Partnership, the general partner interest was assigned to the Lafayette Housing Authority. Effective as of March 7, 2012, the Lafayette Housing Authority assumed responsibility as the General Partner of the Partnership.

#### NOTE C - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of significant accounting policies consistently applied in the preparation of the accompanying financial statements follows.

#### Basis of Accounting

The financial statements of the Partnership are prepared on the accrual basis of accounting and in accordance with U.S. generally accepted accounting principles.

#### **Estimates**

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

#### Cash and Cash Equivalents

For purposes of the statements of cash flows, cash and cash equivalents represent unrestricted cash, restricted deposits, funded reserves and all highly liquid and unrestricted and restricted debt instruments purchased with a maturity of three months or less.

#### Cash and Other Deposits

The Partnership has various checking, escrow, and other deposits at various financial institutions. Noninterest-bearing and interest-bearing accounts, in the aggregate, are insured up to \$250,000 at each financial institution by the Federal Deposit Insurance Corporation (FDIC). As of December 31, 2019, there were uninsured deposits of \$126,279.

#### Collateralization Policy for Financial Instruments

The Partnership does not require collateral to support financial instruments subject to credit risk.

#### NOTE C – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### Adoption of Accounting Pronouncement

In August 2016, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2016-18, Statement of Cash Flows (Topic 230): Restricted Cash. ASU 2016-18 requires significant changes to the financial reporting model. The change includes presenting restricted cash or restricted cash equivalents (Restricted Deposits and Funded Reserves on the Balance Sheet) with cash and cash equivalents. The new standard is effective for the Partnership's year ended December 31, 2019 and thereafter and must be applied on a retrospective basis. The Partnership adopted the ASU effective January 1, 2019. Adoption of the ASU did not result in any reclassifications or restatements to partners' equity or net income (loss).

#### Capitalization and Depreciation

Land, buildings, improvements, and equipment are recorded at cost. Depreciation is provided for in amounts sufficient to relate the cost of depreciable assets to operations using the straight-line method over their estimated service lives as follows:

Buildings	40 years
Furniture, Fixtures and Equipment	10 years
Site Improvements	20 years

Improvements are capitalized, while expenditures for maintenance and repairs are charged to expense as incurred. Upon disposal of depreciable property, the appropriate property accounts are reduced by the related costs and accumulated depreciation. The resulting gains and losses are reflected in the statements of operations.

#### Amortization

Organization costs are expensed as incurred. Tax credit costs are amortized over the ten year tax credit period using the straight-line method.

#### **Debt Issuance Costs**

Debt issuance costs, net of accumulated amortization, are reported as a direct reduction of the obligation to which such costs relate. Amortization of debt issuance costs is reported as a component of interest expense and is computed using the interest method.

#### Tenants' Security Deposits

Tenants' security deposits are held in a separate bank account in the name of the apartment complex. At December 31, 2019, the tenants' security deposit was funded in an amount equal to the security deposit liability.

#### Rental Income and Deferred Rents

Rental income is recognized as rentals become due. Rental payments received in advance are deferred until earned. All leases between the Partnership and the tenants of the property are operating leases.

#### NOTE C – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Rental Income and Deferred Rents (Continued)

Tenant rent charges for the current month are due on the first of each month. Tenants who are evicted or move out are charged with damages or cleaning fees, if applicable. Tenant accounts receivable consists of amounts due for rental income, other tenant charges and charges for damages and cleaning fees in excess of forfeited security deposits. The Partnership does not accrue interest on the tenant receivable balances.

The Partnership uses the direct write-off method to provide for uncollectible accounts. Use of this method does not result in a material difference from the valuation method required by accounting principles generally accepted in the United States of America.

#### Income Taxes

No provision or benefit for income taxes has been included in these financial statements since taxable income or loss passes through to, and is reportable by, the partners individually. The time limit for taxing authorities to examine the Partnership's income tax returns is generally three years from the date of filing or the due date, whichever is later, unless civil or criminal fraud is proven, for which there is no time limit. The Partnership files income tax returns in the U.S. federal jurisdiction, and various state jurisdictions. The Partnership is no longer subject to U.S. federal and state income tax examinations by tax authorities for years before 2016.

FASB ASC 360, Property, Plant, and Equipment

FASB ASC 360, *Property, Plant, and Equipment* requires that long-lived assets and certain identifiable intangibles held and used by an entity be reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Application of the impairment provisions of FASB ASC 360, *Property, Plant, and Equipment* has not materially affected the Partnership's reported earnings, financial condition or cash flows.

## Independent Auditors' Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance With Government Auditing Standards

To the Partners and Management of Villa Gardens Limited Partnership Lafayette, Louisiana

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Villa Gardens Limited Partnership, which comprise the balance sheet as of December 31, 2019, and the related statements of operations, partners' equity (deficit) and cash flows for the year ended December 31, 2019, and the related notes to the financial statements, and have issued our report thereon dated March 17, 2020.

#### **Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered Villa Gardens Limited Partnership's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Villa Gardens Limited Partnership's internal control. Accordingly, we do not express an opinion on the effectiveness of Villa Gardens Limited Partnership's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of Villa Gardens Limited Partnership's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

#### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Villa Gardens Limited Partnership's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

#### Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Villa Gardens Limited Partnership's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Villa Gardens Limited Partnership's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
