Why We Conducted This Audit

We performed certain procedures at the Louisiana Board of Regents (Regents) as a part of the Annual Comprehensive Financial Report of the State of Louisiana, the Single Audit of the State of Louisiana, and to evaluate Regents' accountability over public funds for the period July 1, 2024, through June 30, 2025.

What We Found

- We determined that management has resolved the prior-year finding related to Inadequate Controls over Travel Expenditures.
- Financial information relating to the expenditures of the Taylor Opportunity Program for Students was materially correct.
- Based on the results of these procedures, we did not report any findings.
