NOTES TO THE FINANCIAL STATEMENTS

As of and for the Year Ended June 30, 2023

INTRODUCTION

The Thirty-ninth Judicial District Indigent Defender Fund (Indigent Defender Fund) was established in compliance with Louisiana Revised Statutes 15:168 on August 15, 2007. The purpose of the Indigent Defender Fund is to provide and compensate counsel appointed to represent indigents in criminal and quasi-criminal cases on the district court level. The Indigent Defender Fund is regulated by the Louisiana Public Defender Board established by Louisiana Revised Statute 15:141-184 to provide effective legal representation to criminal defendants who are unable to afford an attorney, consistent with the right to counsel in our criminal courts, mindful of the need for law and order and an appreciation of victim's rights. The Indigent Defender Fund is administered by the district public defender who is contracted with the Louisiana Public Defender Board to provide for the delivery and management of public defenders services within the judicial district. The judicial district encompasses the Parish of Red River, Louisiana.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accompanying basic financial statements of the Thirty-ninth Judicial District Indigent Defender Fund have been prepared in conformity with governmental accounting principles generally accepted (GAAP) in the United States of America. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The accompanying basic financial statements have been prepared in conformity with GASB Statement 34, *Basic Financial Statements—and Management's Discussion and Analysis—for State and Local Governments*, issued in June 1999. Such accounting and reporting policies also conform to the requirements of Louisiana Revised Statutes 24:517 and to the guides set forth in the Louisiana Governmental Audit Guide.

The more significant accounting policies established in GAAP and used by the Thirty-ninth Judicial District Indigent Defender Fund are discussed below.

A. REPORTING ENTITY

For financial reporting purposes, in conformity with Governmental Accounting Standards Board (GASB) Statement No. 14, the Thirty-ninth Judicial District Indigent Defender Fund is a part of the operations of the district court system. However, the state statutes that create the indigent defender funds also gives the funds control over their operations including hiring and retention of employees, authority over budgeting, responsibility for deficits, and the receipt and disbursement of monies. The Thirty-ninth Judicial District Indigent Defender Fund is financially independent and operated autonomously from the State of Louisiana and independently from the district court system. Therefore, the Indigent Defender Fund reports as an independent reporting entity and the financial statements include only the transactions of the Thirty-ninth Judicial District Indigent Defender Fund.

B. MEASUREMENT FOCUS / BASIS OF ACCOUNTING

Measurement focus is a term used to describe "which" transactions are recorded within the various financial statements. Basis of accounting refers to "when" transactions are recorded regardless of the measurement focus applied.

Accrual Basis—Government-Wide Financial Statements

The Statement of Net Position and the Statement of Activities have been prepared using the economic resources measurement focus and the accrual basis of accounting. Revenues, expenses, gains, losses, assets and liabilities resulting from exchange or exchange-like transactions are recognized when the exchange occurs (regardless of when cash is received or disbursed). Revenues, expenses, gains, losses, assets and liabilities resulting from nonexchange transactions are recognized in accordance with the requirements of GASB Statement No. 33, *Accounting and Financial Reporting for Nonexchange Transactions*.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

B. MEASUREMENT FOCUS / BASIS OF ACCOUNTING (continued)

Modified Accrual Basis--Fund Financial Statements

The amounts reflected in the General Fund of Statements A and C are accounted for using a current financial resources measurement focus. With this measurement focus only current assets and current liabilities are generally included on the balance sheet. The statement of revenues, expenditures, and changes in fund balance reports on the sources (i.e., revenues and other financing sources) and uses (i.e., expenditures and other financing uses) of current financial resources. This approach is then reconciled, through adjustment, to a government-wide view of the ID Fund's operations.

The amounts reflected in the General Fund of Statements A and C use the modified accrual basis of accounting. Under the modified accrual basis of accounting, revenues are recognized when susceptible to accrual (i.e., when they become both measurable and available). Measurable means the amount of the transaction can be determined and available means collectible within the current period or soon enough thereafter to pay liabilities of the current period. The Thirty-ninth Judicial District Indigent Defender Fund considers all revenues available if they are collected within 60 days after the fiscal year end. Expenditures are recorded when the related fund liability is incurred, except for interest and principal payments on long-term debt which is recognized when due, and claims and judgments which are recognized when the obligations are expected to be liquidated with expendable available financial resources. The governmental funds use the following practices in recording revenues and expenditures.

Revenues

Fines, forfeitures, fees and court costs imposed by the district and city courts are recorded in the year that they are collected by the sheriff within the judicial district.

Interest income on time deposits is recorded when the time deposits have matured, and the income is available.

Substantially all other revenues are recorded when received by the Indigent Defender Fund.

Based on the above criteria, fines, forfeitures, fees, and court costs are treated as susceptible to accrual.

Expenditures

Expenditures are generally recognized under the modified accrual basis of accounting when the related fund liability is incurred.

C. CASH AND CASH EQUIVALENTS

Cash equivalents include amounts in demand deposits, interest-bearing demand deposits, and time deposits and other investments with original maturities of 90 days or less when purchased. Under state law, the Indigent Defender Fund may deposit funds in demand deposits, interest-bearing demand deposits, or time deposits with state banks organized under Louisiana law and any other state of the United States, or under the laws of the United States.

D. CAPITAL ASSETS

Capital assets are capitalized at historical cost.

E. ESTIMATES

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

F. EQUITY CLASSIFICATIONS

In the government-wide financial statements, equity is classified as net position and is displayed in three components:

Net investment in capital assets

Net investment in capital assets consists of capital assets including restricted capital assets, net of accumulated depreciation and reduced by the outstanding balances of any bonds, mortgages, notes, or other borrowings that are attributable to the acquisition, construction, or improvement of those capital assets. At year end the Indigent Defender Fund did not have any net investment in capital assets.

Restricted Net Position

Restricted Net Position consists of net position with constraints placed on the use by (1) external groups, such as creditors, grantors, or laws or regulations of other governments; or (2) law through constitutional provisions or enabling legislation.

Unrestricted Net Position

Unrestricted Net Position consists of all other assets, deferred outflows of resources, liabilities, and deferred inflows of resources that do not meet the definition of "restricted" or "net investment in capital assets."

The Indigent Defender presents fund balances in accordance with GASB Statement No. 54, using the following criteria:

Nonspendable

Amounts that cannot be spent either because they are not in a spendable form or because they are legally or contractually required to be maintained intact.

Restricted

Amounts that can be spent only for specific purposes because of state or federal laws, or externally imposed conditions.

Committed

Amounts that can be used only for specific purposes determined by a formal action by the Chief Defender.

Assigned

Amounts that are designated by the Chief Defender for a specific purpose but are not spendable until the budget is approved by the State.

Unassigned

All amounts not included in other spendable classifications.

The Indigent Defender Fund has only unassigned fund balance.

NOTES TO THE FINANCIAL STATEMENTS

As of and for the Year Ended June 30, 2023

2. CASH AND CASH EQUIVALENTS

At June 30, 2023, the Thirty-ninth Judicial District Indigent Defender Fund has cash and cash equivalents (book balances) totaling \$22,778 in demand deposits.

These deposits, \$23,178 (bank balances), are stated at cost, which approximates market. Under state law, these deposits (or the resulting bank balances) must be secured by federal deposit insurance or the pledge of securities owned by the fiscal agent bank. The market value of the pledged securities plus the federal deposit insurance must at all times equal the amount on deposit with the fiscal agent. These deposits are secured by federal deposit insurance.

3. CAPITAL ASSETS

The Thirty-ninth Judicial District Indigent Defender Fund did not acquire any capital assets during the year ending June 30, 2023. The Indigent Defender Fund has one capital asset with an historical cost of \$5,132, and accumulated depreciation of \$4,106 as of the year ending June 30, 2023. \$1,026 in depreciation was accrued during the current year.

4. COMMITMENT AND CONTINGENCIES

The Thirty-ninth Judicial District Indigent Defender Fund is not currently named as defendant in any current or pending litigation.

The Indigent Defender Fund participates in certain state-assisted grant programs. These programs are subject to program compliance audits by the grantors or their representatives. Any liability for reimbursement that may arise as the result of these audits is not believed to be material.

5. RELATED PARTY TRANSACTIONS

FASB 57 requires the disclosure of the description of the relationship, the transactions, the dollar amount of the transactions, and any amounts due to or from that result from related party transactions. There were no related party transactions.

NOTES TO REQUIRED SUPPLEMENTAL INFORMATION
As of and for the Year ended June 30, 2023

Budgetary Information

The District Public Defender directs the preparation of a proposed budget and submits it to the Louisiana Public Defender Board for approval by a specified date. Annually, the Indigent Defender Fund adopts a budget for the General Fund on the cash basis of accounting. Amounts are available for expenditures only to the extent included within the budget.

The Louisiana Local Government Budget Act Section 1305(E) provides that "the total of proposed expenditures shall not exceed the total of estimated funds available for the ensuing fiscal year." The "total estimated funds available" is the sum of the respective estimated fund balances at the beginning of the year and the anticipated revenues for the current year.

The Louisiana Local Government Budget Act also requires a budget to be amended if actual revenues are failing to meet total budgeted revenues by five percent or more and if actual expenditures are exceeding the total budgeted expenditures by five percent or more.

The Indigent Defender Fund is in compliance with the Louisiana Local Budget Act. Actual revenues were less than budgeted amounts. Actual expenditures were more than budgeted expenditures by 2.48%.
