INDEPENDENT ACCOUNTANT'S REVIEW REPORT

To the Board of Directors,
Plantation Estates Community Association, Inc.,
Marrero, Louisiana.

We have reviewed the accompanying financial statements of Plantation Estates Community Association, Inc. (the "Association") (a nonprofit organization), which comprise the balance sheet as of December 31, 2024, and the related statements of revenues, expenses, and changes in fund balance and cash flows for the year then ended, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

Accountant's Responsibility

Our responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusion.

We are required to be independent of the Association and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements related to our review.

Accountant's Conclusion

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America.

Supplementary Information

The supplementary information contained in Schedule 1 (Schedule of Compensation, Benefits, and Other Payments to Agency Head or Chief Executive Office), as required by Louisiana Revised Statute 24:513(a)(3), is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The supplementary information has been subjected to the review procedures applied in our review of the basic financial statements. We are not aware of any material modifications that should be made to the supplementary information. We have not audited the supplementary information and do not express an opinion.

Note 1 - NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**a) Nature of Organization**

Plantation Estates Community Association, Inc. (the “Association”) was formed in 1991 as a homeowners’ association incorporated in the State of Louisiana. The Association is responsible for the operation and maintenance of the Plantation Estates subdivision located in Marrero, Louisiana.

b) Organization

The Association is a nonprofit corporation organized under the laws of the State of Louisiana, and, as such, is exempt from Federal income taxes on function income pursuant to an election under the Internal Revenue Code.

Under this method, revenues are recognized when earned, and expenses are recorded when incurred.

d) Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

e) Cash and Cash Equivalents

For the Statement of Cash Flows the Association considers all highly liquid investments contributed with an initial maturity of three months or less from the date of acquisition to be cash and cash equivalents. There were no equivalents as of December 31, 2024.
