Management is responsible for the accompanying financial statements of the governmental activities of the Trail Blazers Library System for the year ended December 31, 2019, which collectively comprise the basic financial statements as listed in the table of contents, in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements.

Management has elected to omit substantially all of the disclosures and managements' discussion and analysis required by accounting principles generally accepted in the United States of America. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the government's financial position, results of operations, and cash flows. Accordingly, the financial statements are not designed for those who are not informed about such matters.

Required Supplementary Information

Louisiana Revised Statutes require that the Schedule of Compensation, Benefits, and Other Payments to Agency Head or Chief Executive Officer on page 9 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by Louisiana Revised Statutes, who consider it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. This information is the representation of management. This information was subject to our compilation engagement; however, we have not audited or reviewed the required supplementary information and, accordingly, do not express an opinion, a conclusion, nor provide any form of assurance on such information.
