#### INDEPENDENT AUDITORS' REPORT

To the Board of Directors and Management of the Arts Council of New Orleans d/b/a Arts New Orleans New Orleans, Louisiana

#### Report on the Financial Statements

We have audited the accompanying financial statements of Arts Council of New Orleans d/b/a Arts New Orleans (a nonprofit organization), which comprise the statements of financial position as of December 31, 2020, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

To the Board of Directors and Management of the Arts Council of New Orleans d/b/a Arts New Orleans

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Organization, and the changes in its net assets and its cash flows for the year ended December 31, 2020 in accordance with accounting principles generally accepted in the United States of America.

#### Other Matters

## Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The schedule of compensation, benefits, and other payments to the agency head, as required by Louisiana Revised Statute 24:513(A)(3), is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

#### Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated September 23, 2021, on our consideration of the Organizations' internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the Organizations' internal control over financial reporting and compliance.

To the Board of Directors and Management of the Arts Council of New Orleans d/b/a Arts New Orleans

Prior Period Financial Statements

The December 31, 2019 financial statements were reviewed by us and our report thereon, dated July, 13, 2020 stated we are not aware of any material modifications that should be made to those financial statements for them to be in conformity with accounting principles generally accepted in the United States of America. However, a review is substantially less in scope than an audit and does not provide a basis for the expression of an opinion on the financial statements as a whole.

## (1) <u>SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES</u>

## **Nature of Activities**

The Arts Council of New Orleans d/b/a Arts New Orleans (Organization), a Louisiana non-profit corporation, is the City of New Orleans' officially designated arts agency. The Organization was formed in 1975 as a result of a merger of the Arts Council of Greater New Orleans and the Mayor's Committee for Arts and Cultural Development. The Organization's efforts are directed toward enhancing the cultural and artistic environment in the New Orleans metropolitan area and are as follows:

People – Inspiring and Connecting: Supporting participatory arts, youth arts education, and events that inspire and connect.

Place – Transforming Landscape: Emphasizing design solutions and a heightened awareness of the built environment.

Artists – Investing in our Cultural Assets: Professionalizing the capabilities of local artists and organizations while seeking markets and exchange opportunities.

## **Basis of Accounting**

Basis of accounting refers to when revenues and expenses are recognized in the accounts and reported in the financial statements. The financial statements of the Organization are prepared on the accrual basis of accounting whereby revenues are recognized when earned and expenses are recognized when incurred.

#### **Basis of Presentation**

The financial statements are presented in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 958-210-50-3, *Financial Statements of Not-for-Profit Organizations*. Under the provisions of the Codification, net assets and revenues, and gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, the net assets of the Organization and changes therein are classified as follows:

<u>Net assets without donor restrictions</u> - Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. These net assets may be used at the discretion of the Organization's management and the board of directors. The revenues received in conducting the mission of the Organization are included in this category.

<u>Net assets with donor restrictions</u> - Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by the passage of time. Other donor restrictions are perpetual in nature, whereby, the donor has stipulated the funds be maintained in perpetuity.

## (1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### **Use of Estimates**

Accounting principles generally accepted in the United States of America require management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

# Cash and Cash Equivalents

For purposes of the statement of cash flows, the Organization considers all highly liquid investments with an initial maturity of three months or less to be cash equivalents including bank repurchase agreements. The Organization investments in certificates of deposits in local financial institutions qualify as cash equivalents under this policy. Cash equivalents totaled \$101,612 for both years ended as of December 31, 2020 and 2019.

#### **Restricted Cash**

The City of New Orleans made it a requirement that the Organization hold cash restricted for the Community Arts Grants, State of Louisiana Grants, and the Percent of Art program (Note 8) in a designated bank account. At December 31, 2020 and 2019 the Organization held \$159,513 and \$167,145 in a separate bank account in connection with this agreement.

## Accounts and Grants Receivable and Allowance for Doubtful Accounts

Grants and accounts receivable consist of amounts due to the Organization for services provided through December 31<sup>st</sup> that have not yet been collected. Management monitors the receivables and assesses the collectability of accounts on a monthly basis. The Organization records an allowance for uncollectible accounts based on an assessment of the receivables, taking into consideration the nature of the account and aging of the balance. For the years ended December 31, 2020 and 2019, management has determined that all amounts were collectible and no allowance was necessary.

#### Pledges Receivable

The Organization records unconditional promises to give as pledges receivable on the statements of financial position. Unconditional promises to give expected to be collected within one year are recorded at estimated net realizable value. Unconditional promises to give that are expected to be collected in more than one year are recorded at the present value of their net realizable value, using discount rates applicable to the years in which the promises are to be received. There were no pledges receivable as of December 31, 2020. Pledges receivable were \$1,700 as of December 31, 2019.

## (1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### **Investments**

Investments in marketable securities and mutual funds with readily determinable fair values and all investments in debt securities are reported at fair value in the statements of financial position. Unrealized gains and losses are included in the change in net assets in the accompanying statements of activities as increases or decreases in net assets without donor restrictions unless their use is with restrictions by explicit donor stipulations or law. Dividend, interest, and other investment income are recorded as increases in net assets without donor restriction unless the use is restricted by the donor.

FASB ASC topic 820, Fair Value Measurements and Disclosures emphasizes market-based measurement and, in doing so, stipulates a fair value hierarchy. The hierarchy is based on the type of inputs, or data used, to measure fair value. The fair value hierarchy is summarized below:

Level 1 lies at the top of the hierarchy; inputs are quoted prices in active markets.

Level 2 inputs are in the middle of the hierarchy, where data is adjusted from similar items traded in markets that are active markets or from identical or similar items in markets that are not active. Level 2 inputs do not stem directly from quoted prices.

Level 3 inputs are unobservable and require the entity to develop its own assumptions.

Investments other than mutual funds are valued at the fair value of the trust investments as reported to the Organization by the trustees and include the use of Net Asset Values (NAV) as the primary input to measure fair value.

# **Contributed Artwork**

The Organization has paintings and sculptures in its possession. This artwork is recorded at its appraised value at the time of donation. The carrying value of the artwork at December 31, 2020 and 2019 was \$27,652.

#### **Capital Assets**

The Organization follows the practice of capitalizing, at cost, all expenditures for assets with an economic life greater than one year in excess of \$1,000. Depreciation is computed using the straight-line method over the estimated useful life of each asset.

## (1) <u>SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)</u>

#### **Impairment of Long-lived assets**

The Organization reviews long-lived assets, consisting of property and equipment and contributed artwork, and cost in excess of net assets acquired, for impairment and determines whether an event or change in facts and circumstances indicates that their carrying amount may not be recoverable. The Organization determines the recoverability of the assets by comparing the carrying value of the asset to net future undiscounted cash flows that the asset is expected to generate. The impairment recognized is the amount by which the carrying amount exceeds the fair market value of the asset. There were no asset impairments recorded for the years ended December 31, 2020 and 2019.

## Revenue Recognition

#### Contributions

Contributions are reported as increases in net assets with donor restrictions or net assets without donor restrictions depending on the existence and/or nature of any donor restrictions. Grants and contributions without donor restrictions are recorded as revenue when received or unconditionally pledged. Contributions with donor restrictions are recognized as revenues with donor restrictions and reported as releases from restrictions when a stipulated time restriction ends or purpose restriction is accomplished.

Contributions of donated noncash assets are recorded at their fair values in the period received. Contributions of donated services that create or enhance nonfinancial assets or that require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation, are recorded at their fair values in the period received. In-kind contributions received by the Organization for the years ended December 31, 2020 and 2019 were \$3,100 and \$4,600, respectively.

#### Earned Income

The Organization receives concession and ticket sales during its special events. Also, the Organization rents space for its monthly arts markets. These amounts are recognized into revenue on the date of the events, which is when the relevant performance obligations are fulfilled. The Organization has applied the newly adopted revenue recognition standard, ASU Topic 606, to the earned income revenue.

#### Contracted Services

The Organization provides public art services through contracts with municipalities, nonprofit organizations, and private companies. Because the primary beneficiary of the contracts are the general public and various artists, the contracted services are accounted for as non-exchange transactions. Advanced receipts of funds with contractual stipulations are treated as conditional contributions until the contracted services have been performed.

## (1) <u>SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)</u>

## **Board Designated Net Assets**

The Organization's governing board has designated \$288,263 and \$372,720 from net assets without donor restrictions to serve as an emergency reserve as of December 31, 2020 and 2019, respectively.

# **Interest Income**

Interest income is allocated to restricted programs to fund certain costs when specifically required by applicable contracts or grants.

#### Advertising

The Organization expenses advertising as incurred. Advertising expense was \$2,420 and \$22,668 for the years ended December 31, 2020 and 2019, respectively, and is recorded as advertising expense in the statements of activities.

#### Expense Allocation

Directly identifiable expenses are charged to programs and supporting services. Expenses related to more than one function are charged to programs and supporting services on the basis of periodic time and expense studies. Management and general expenses include those expenses that are not directly identifiable with any other specific function but provide for the overall support and direction of the Organization.

#### **Income Taxes**

The Organization is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code and from state income tax under Section 121(5) of Title 47 of the Louisiana Revised Statutes of 1950. However, income from certain activities not directly related to the Organization's tax-exempt purpose is subject to taxation as unrelated business income. In addition, the Organization qualifies for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as an organization other than a private foundation under Section 509(a)(2).

The Organization's evaluation as of December 31, 2020 revealed no tax positions that would have a material impact on the financial statements. The Organization does not believe that any reasonably possible changes will occur within the next twelve months that will have a material impact on the financial statements.

## (1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### **New Accounting Pronouncements**

On May 28, 2014, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2014-09, Revenue from Contracts with Customers (Topic 606). The ASU and all subsequently issued clarifying ASUs superseded the revenue recognition requirements and most industry-specific guidance in U.S. generally accepted accounting principles. The core principle of the new guidance is that an entity recognizes revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The new guidance also includes a cohesive set of disclosure requirements that will provide users of the financial statements with comprehensive information about the nature, amount, timing, and uncertainty of revenue and cash flows arising from the entity's contracts with customers. The Organization has adjusted the presentation of these statements accordingly. The ASU have been applied retrospectively to all periods presented. The adoption had no material impact on the Organization's financial statements.

# INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors and Management of the Arts Council of New Orleans d/b/a Arts New Orleans

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Arts Council of New Orleans d/b/a Arts New Orleans (a nonprofit organization), which comprise the statement of financial position as of December 31, 2020, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated September 23, 2021.

#### **Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) as a basis for designing the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

To the Board of Directors and Management of the Arts Council of New Orleans d/b/a Arts New Orleans

#### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

## **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
