NOTE 1:  SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. REPORTING ENTITY

The 23rd Annual Governor's Conference on Juvenile Justice is an adjunct organization of the Louisiana Commission on Law Enforcement and the Juvenile Justice and Delinquency Prevention Advisory Board. The purpose and function of the 23rd Annual Governor's Conference on Juvenile Justice is to increase the capacity of state and local governments to conduct effective juvenile justice and delinquency prevention programs. The more specific emphasis of the conference is on providing information, resources, and training to approximately 500 individuals in the state's juvenile justice field. It is anticipated collectively these individuals will begin to resolve the system's more serious problems including the appropriate placement and/or delivery of services to the violent, emotionally disturbed, mentally retarded and/or serious offenders with special emphasis on the removal of juveniles from jails. The conference is jointly sponsored by the Juvenile Justice and Delinquency Prevention Advisory Board, Louisiana Commission on Law Enforcement, Office of Juvenile Services, Louisiana Association of Child Care Agencies, Louisiana District Attorney's Association, Louisiana Council of Juvenile Court Judges, and Louisiana Juvenile Detention Association. This report includes all of the funds relating to the conference.

B. PRESENTATION OF STATEMENTS

The accompanying financial statements conform to generally accepted accounting principles for state and local governments. These statements have also incorporated any applicable requirements set forth by the Louisiana Governmental Audit Guide, as applicable to compiled financial statements for governmental entities.

C. FUND ACCOUNTING

The Agency uses funds and account groups to report its financial position and the results of its operations. Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions relating to certain governmental functions or activities.

A fund is a separate accounting entity with a self-balancing set of accounts. Funds of the 23rd Annual Governor's Conference are classified as a special revenue governmental fund type. The special revenue governmental fund accounts for the 23rd Annual Governor's Conference's collection and disbursement of specific or legally restricted monies received from the grantor agency as well as fees received from the various annual conference participants.
An account group is self-balancing set of accounts, but not an accounting entity; therefore, not a fund. The Agency's account group consists of the general fixed asset account group. The general fixed asset account group is used to account for fixed assets of the Agency.

D. BASIS OF ACCOUNTING

The accounting and financial reporting treatment applied to a fund is determined by its measurement focus. The governmental funds are accounted for using a current financial resources measurement focus. With this measurement focus, only current assets and current liabilities are generally included on the balance sheet. Operating statements of these funds present increases and decreases in net current assets.

Governmental funds are maintained on the modified accrual basis of accounting wherein revenues are recognized in the accounting period in which they become available and measurable. Expenditures are recognized in the accounting period in which the liability is incurred, if measurable. The Agency considers grant revenue and participant fees susceptible to accrual.

Fixed assets used in governmental fund type operations (general fixed assets) are accounted for in the General Fixed Assets Account Group, and are recorded as expenditures in the governmental fund types when purchased. No depreciation has been provided on general fixed assets. Fixed assets are valued at historical cost.

E. BUDGET POLICY

The Grant follows these procedures in establishing the budgetary data reflected in these financial statements.

The Louisiana Commission on Law Enforcement and Administration of Criminal Justice notifies the Agency each year as to the funding levels for the program's grant award.

The Project Director prepares a proposed budget based on the funding levels provided by the Louisiana Commission on Law Enforcement and Administration of Criminal Justice and then submits the budget to the Louisiana Commission on Law Enforcement and Administration of Criminal Justice for approval.

All budgetary appropriations lapse at the end of each fiscal year and grant year (September 30). The amended budget is presented in these financial statements.
The budget is prepared on a modified accrual basis, consistent with the basis of accounting, for comparability of budgeted and actual revenues and expenditures.

Actual amounts are compared to budgeted amounts periodically during the fiscal year as a management control device. The Agency may transfer funds between line items as often as required but must obtain prior approval from the Louisiana Commission on Law Enforcement and Administration of Criminal Justice for funds received under grants from this state agency.

F. ESTIMATES

The preparation of the general purpose financial statements in conformity with generally accepted accounting principles requires the use of management's estimates.

NOTE 2: REVENUE RECOGNITION - INTERGOVERNMENTAL GRANTS, REGISTRATION FEES

Intergovernmental grant revenues and the related fees are recorded in a special revenue governmental fund in the accounting period when they become susceptible to accrual, that is, measurable and available (modified accrual basis).

Intergovernmental Grants

Louisiana Commission on Law Enforcement and Administration of Criminal Justice program funds are earned and become susceptible to accrual based upon grant fund requests for reimbursements. The funds are recorded as revenues if the request covers a period in the current fiscal year and the related expenditures to be reimbursed have been recognized (match of revenues and expenditures).

Registration Fees/Accounts Receivable

The registration fees are considered measurable/earned and become susceptible to accrual at the time of the conference. The revenue is based on the number of people attending the conference. The receivable of $1,555 is from various conference attendees. Management does not believe that there is a significant concentration of credit risk with respect to this receivable amount due to the different geographic locations of the attendees.
NOTE 3: CASH

At September 30, 2002, the 22nd Annual Governor's Conference on Juvenile Justice had the following balance in its cash account:

<table>
<thead>
<tr>
<th>Bank</th>
<th>Book</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td></td>
</tr>
<tr>
<td>Hibernia National Bank: Checking</td>
<td>$76,975</td>
</tr>
</tbody>
</table>

The entire bank balance was covered by federal deposit insurance. Thus, there was no concentration of credit risk with regard to the Agency's cash funds.

NOTE 4: GRANTS RECEIVABLE

Grants receivable at September 30, 2002, consisted of grant requests for expenditures incurred in connection with the conference held on August 28, - August 30, 2002.

<td>$ -0-</td>
<td>$13,080</td>
</tr>
</tbody>
</table>

NOTE 6: INCOME TAX STATUS

As a function of the state government, this activity is not subject to income tax.

NOTE 7: ECONOMIC DEPENDENCY

The Conference receives approximately 38% of its revenue from funds provided through a grant administered by the Louisiana Commission on Law Enforcement and Administration of Criminal Justice. The grant amount is appropriated each year by the federal and state governments. If significant budget cuts are made at the federal and/or state level, the amount of the funds the Conference receives could be reduced.
significantly and have an adverse impact on its operations. Management is not aware of any actions that will adversely affect the amount of funds the Conference will receive in the next fiscal year.

NOTE 8: CONTINGENCIES

The Conference receives revenues from a federal grant program which is subject to final review and approval as to allowability of expenditures by the respective grantor agencies. Any settlements or expenses arising out of a final review are recognized in the period in which agreed upon by the grantor agency and the Conference. Also it is management's opinion that any audits by the grantor agencies would not produce disallowed program costs and liabilities to such an extent that they would materially affect the Conference's financial position.
