**GREEN GOLD LIBRARY SYSTEM
SHREVEPORT, LOUISIANA**

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE PERIOD OCTOBER 1, 2004 to SEPTEMBER 30, 2005**

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Green Gold Library System was originally funded by a Grant from the Louisiana State Library with LSCA funds. For many years, the major source of revenue was continuing grants from the State Library. However, many years ago, all grant money was withdrawn. Currently, individual membership fees from participating libraries are the major source of revenues. The Green Gold Library System is governed by a joint Board and Executive Council. Each library who pays a fee is allowed one Board Member and the director of each library institution is a member of the Executive Council. The Green Gold Library System main purpose is to deliver books and other materials between its members. A secondary purpose is to provide educational and job related training for staff of its members.

A. FUND ACCOUNTING

The Green Gold Library System is organized and operated on a fund basis whereby a separate self-balancing set of accounts (*General Fund*) is maintained that comprises its assets, liabilities, fund equity, revenues and expenditures.

B. FIXED ASSETS

The fixed assets of the Green Gold Library System are accounted for in the General Fixed Assets Account Group. Until 2001, all fixed assets were valued at cost and no depreciation has been taken on general fixed assets. However, now depreciation is to be taken on fixed assets. The account is not a "fund". It is only concerned with the measurements of results of operation.

C. LONG TERM LIABILITIES

There are no long term liabilities at September 30, 2005

D. BASIS OF ACCOUNTING

Basis of accounting refers to when revenues and expenditures are recognized and reported in the financial statement. *Basis of accounting* relates to the timing of the measurement made, regardless of the measurement focus applied.

The system's records are maintained on the modified accrual basis of accounting utilizing the follow practices in recording revenues and expenditures:

REVENUES:

Membership's fees are recorded when received.

Interest is recorded when the system is entitled to the funds. Substantially all other revenues are recorded when received.

EXPENDITURES:

Expenditures are recognized under the modified accrual basis of accounting when the related fund liability is incurred. The one exception is gas credit card bills which are recognized when paid.

E. BUDGETARY ACCOUNTING

The budget is adopted on a modified accrual basis. The annual budget is drafted by the Director and submitted at the annual joint meeting of the Board and Executive Council.

F. VACATION AND SICK LEAVE

In the 1983 fiscal year, the Board and Executive Council amended the policy and now sick leave benefits apply only to full time staff members. Currently the system does not have any full time staff members and so there is no obligation for accumulated sick leave. There are three weeks of vacation given to the driver each year. These are designated as one week in August (selected by driver), the week between Christmas and New Years and a third week to be selected by the driver.

G. TOTAL COLUMN ON BALANCE SHEET--OVERVIEW

The total column on the Balance Sheet-Overview is captioned Memorandum Only to indicate that it is presented only to facilitate financial analysis. The data in this column does not present financial position, in conformity with generally accepted accounting principles. Neither is such data comparable to a consolidation.

H. BUDGETS AND ACTUAL FINANCIAL SITUATION COMPARED

The Green Gold Library System adopts its budget on a fiscal year that starts on October 1, and ends September 30.

2. CHANGES IN GENERAL FIXED ASSETS

A summary of changes in the general fixed assets for the reporting period follows:
