## INDEPENDENT ACCOUNTANT'S COMPILATION REPORT

Board of Directors  
Consolidated Gravity Drainage District No. 1

Management is responsible for the accompanying financial statements of Consolidated Gravity Drainage District No. 1, a component unit of Jefferson Davis Parish Police Jury, as of and for the year ended December 31, 2020, as listed in the table of contents, in accordance with accounting principles generally accepted in the United States of America. I have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the American Institute of Certified Public Accountants. I did not audit or review the financial statements nor was I required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, I do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements.

Management has elected to omit substantially all of the disclosures required by accounting principles generally accepted in the United States of America. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the District's financial position, results of operations, and cash flows. Accordingly, the financial statements are not designed for those who are not informed about such matters.

Management has not adopted the provisions of Governmental Accounting Standards Board (GASB) Statement No. 34 and subsequent GASB pronouncements. Management has not determined the effect that this departure would have on the financial statements.

### Supplementary Information

The accompanying schedules of compensation paid to board members and of compensation, benefits, and other payments to the agency head, political subdivision head, or chief executive officer is presented for purposes of additional analysis and is not a required part of the basic financial statements. The information is the representation of management. The information was subject to my compilation engagement, but I have not audited or reviewed the supplementary information and, accordingly, do not express an opinion, a conclusion, nor provide any assurance on such information.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the following supplementary information on page 7 be presented to supplement the basic financial statements:

Budgetary Comparison Schedule

Such information is presented for purposes of additional analysis and, although not a required part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. This information is the representation of management. I have not performed an audit, review or compilation on the required supplementary information and, accordingly, I do not express an opinion, a conclusion, nor provide any assurance on such information.

Management has omitted the Management Discussion and Analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical content.
