(a non-profit organization), which comprise the statements of financial position as of June 30, 2021 and 2020, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Emerge School for Autism, Inc. as of June 30, 2021 and 2020, and the changes in net assets and cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering The Emerge School for Autism, Inc.'s internal control over financial reporting and compliance.

**THE EMERGE SCHOOL FOR AUTISM, INC.  
NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEARS ENDED JUNE 30, 2021 AND 2020**

**1. Summary of Significant Accounting Policies**

(a) Organization

The Emerge School for Autism, Inc. (the School) was incorporated on April 22, 2016 as a non-profit corporation under the laws of the State of Louisiana. The School operates under a contract with the Louisiana Board of Elementary and Secondary Education (BESE) as a Type 1 charter school with a contract term from July 1, 2018 through July 1, 2023, and may be extended for a maximum term of five years, contingent upon the results of the School's operations and compliance with regulatory and contractual requirements after the completion of the fourth year of operation.

The School opened for students beginning with the 2018-2019 school year. The School is a tuition free charter school that specializes in educating students with Autism Spectrum Disorder in kindergarten.

(b) Basis of presentation

The financial statements of the School have been prepared in accordance with U.S. generally accepted accounting principles ("US GAAP"), which require the School to report information regarding its financial position and activities according to the following net asset classifications:

*Net Assets Without Donor Restrictions* are net assets that are not subject to donor-imposed restrictions and are available for use at the organization's discretion.

*Net Assets With Donor Restrictions* are net assets subject to donor-imposed restrictions that may or will be met, either by actions of the organization, and/or the passage of time. Once the restrictions are met, they are reclassified to net assets without donor restrictions.

Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statements of activities.

(c) Cash and cash equivalents

For purposes of the statements of cash flows, all highly liquid investments with a maturity of three months or less when purchased are considered cash equivalents. During the year, cash may consist of both unrestricted and restricted balances. Unrestricted cash balances represent cash available for general operating purposes.

(d) Accounts receivable

Accounts receivable represent amounts due under federal and state grant programs as well as contributions. The grant programs are reimbursable in nature and revenue is recognized as a receivable once the expenditures are incurred. Contributions are recognized at estimated fair value when the donor makes a pledge to give when it is an unconditional promise. The School does not recognize a conditional promise to give until the conditions upon which the promise depends are substantially met.

**THE EMERGE SCHOOL FOR AUTISM, INC.  
NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEARS ENDED JUNE 30, 2021 AND 2020**

**1. Summary of Significant Accounting Policies (continued)**

(e) Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that effect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

(f) Functional expenses

The School allocates its expenses on a functional basis between program service or general and administrative. Expenses that can be identified with the school curriculum are allocated directly according to their natural expense classification. Other expenses are allocated between program service and general and administrative based on management's estimate of time, percentage, or square footage used, among other factors.

(g) In-kind contributions

The value of in-kind contributions to the School are recognized at the fair market value of the benefit received. In-kind contributions and related expenses were \$20,000 and \$0 for the years ended June 30, 2021 & 2020, respectively.

A substantial number of unpaid volunteers have made a significant contribution of their time to support the School, principally in fundraising activities and board participation. The value of this donated time is not reflected in these statements since such services do not meet the requirements under United States of America generally accepted accounting principles.

(h) Income tax status

The School accounts for income taxes in accordance with FASB ASC 740-10, *Accounting for Uncertainty in Income Taxes*. Management believes it has no material uncertain tax positions and, accordingly has not recognized a liability for any unrecognized tax benefits.

The School is a not-for-profit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. The School files information returns in the U.S. federal jurisdiction. The School is not subject to U.S. federal income tax examinations by tax authorities beyond three years from the filing of those returns.

(i) Property and equipment

Property and equipment are stated at cost at the date of purchase or, for donated assets, at fair value at the date of donation, less accumulated depreciation. Depreciation is calculated using the straight-line method over the lesser of the estimated useful lives of the assets or the least term. The useful lives range from three to five years. The School's policy is to capitalize renewals and betterments acquired for greater than \$5,000 and expense normal repairs and maintenance as incurred.

All assets acquired with public funds are the property of the School for the duration of the charter. If the charter is revoked or surrendered, or the School otherwise ceases to operate, all assets purchased with public funds will automatically revert to full ownership by BESE or the appropriate agency.

**THE EMERGE SCHOOL FOR AUTISM, INC.**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEARS ENDED JUNE 30, 2021 AND 2020**

**1. Summary of Significant Accounting Policies (continued)**

(j) Revenues

The School receives the majority of its revenue from the Minimum Foundation Program (MFP). The amount of the MFP funding is based on an allocation of funds provided by the State of Louisiana and local taxes. The allocation calculation is primarily based on the student enrollment at the School and is recognized monthly when received.

Federal and state funds are passed through the Louisiana Department of Education. The School's federal grant funding is on a cost reimbursement basis and is recognized as earned once the expenditures have been incurred.

The School has determined that the funds received under the MFP and federal and state grant programs are attributable to a performance obligation of general school operations which are satisfied upon approval of the MFP allocation and cost reimbursement request approval.

The School receives private funding in the form of contributions from various individuals and entities. Contributions are recognized when an unconditional promise to give is received. Conditional promises to give, with a measurable performance or other barrier and a right of return, are not recognized until the conditions on which they depend have been met. The School has determined that all performance obligations pertaining to unconditional promises to give are satisfied at the time of collection.

The School received additional federal funding in the form of a forgivable SBA loan for the purpose of maintaining the School's staffing during the Covid-19 Pandemic of 2020. This funding was issued as a loan with stipulations that the loan would be forgivable up to the full amount of the loan if the funds were used for particular expenditures. As of June 30, 2020, the School felt that it had substantially met the conditions of forgiveness and, as such, has recognized the loan amount as revenue as of that year end. Effective May 12, 2021 the SBA approved the request for forgiveness.

**2. Related Party**

The Emerge Center, Inc. (the Center), a 501(c)(3) entity, was established in 2012 to support children and individuals with autism and communication challenges. As part of fulfilling their mission, the Center was instrumental in the formation of two other organizations, The Emerge Foundation, Inc. (the Foundation) and the School. Both the Center and the Foundation provide support to the School in the form of fundraising initiatives as well as donation of space for School facilities (see footnote 1g). The School recognized contributions from related parties of \$150,585 and \$10,443 for the years ended June 30, 2021 & 2020, respectively.

**3. Concentrations**

Financial instruments, which potentially subject the School to concentration of credit risk, consist of cash accounts held with a bank. Cash accounts are insured by the Federal Deposit Insurance Corporation for up to \$250,000. As of June 30, 2021 there were no cash balances in excess of FDIC insured limits.

**THE EMERGE SCHOOL FOR AUTISM, INC.  
NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEARS ENDED JUNE 30, 2021 AND 2020**

**3. Concentrations (continued)**

The School receives the majority of its operating revenue from the State of Louisiana in the form of Minimum Foundation program funding. The School also receives grants from federal agencies, state agencies, and private foundations. The percentage of revenue and receivables from these sources in excess of 10% is as follows:

	Revenue	Receivables
<b>2021</b>		
Minimum Foundation Program	72%	72%
Federal Grants	N/A	28%
<b>2020</b>		
Minimum Foundation Program	60%	100%
Contributions	30%	N/A

**4. Deferred Revenue**

The School was awarded a grant of \$55,000 from the Huey and Angelina Wilson Foundation to support the Emerge School Transition Program to be conducted during the 2021-2022 school year. The grant is for general support of the program with a grant term of August 16, 2021 through May 27, 2022.

**5. Compensated Absences**

Employees earn vacation and sick pay based on various factors such as length of service and job title. Any unused vacation is paid out at the end of the year and does not carry over to the following year. Therefore, there are no compensated absences accrued at June 30, 2021 & 2020.

**6. Retirement Plan**

The School offers a 401(k) retirement plan for eligible employees. Eligibility to participate in the plan is based on the employee's age, length of service, and various other factors.

For the years ended June 30, 2021 & 2020, the amount paid related to the School's retirement plan were \$5,893 and \$6,674 respectively.

**7. Commitments and Contingencies**

The School receives grants for specific purposes that are subject to audit by the grantor agencies. Such audits could lead to requests for reimbursement to the grantor agency for expenditures disallowed under terms of the grant. It is the opinion of the School's management that its compliance with the terms of the grants will not result in any disallowed costs.

**8. Line of Credit**

The School has an available line of credit of \$100,000 with Iberia Bank. Interest on the line of credit is the Prime Rate, which was 3.25% as of June 30, 2021. There were no outstanding balances due as of June 30, 2021 and 2020, respectively.

**THE EMERGE SCHOOL FOR AUTISM, INC.**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEARS ENDED JUNE 30, 2021 AND 2020**

**9. Net Assets with Donor Restrictions**

For the fiscal year ended June 30, 2018, the school received a grant for \$50,000 from the Lamar Foundation with the restriction that the funds be used for Equipment and Furniture & Fixtures. During the year ended June 30, 2019 there were no purchases of fixed assets. In the fiscal year June 30, 2020 the school received various contributions with restrictions that the funds be used for Equipment and Furniture & Fixtures. During the current and prior year there were \$11,990 and \$71,049, respectively, in purchases of fixed assets. These purchases left Net Assets with Donor Restrictions of \$0 and \$3,299 as of June 30, 2021 and 2020, respectively.

**10. Liquidity and Availability of Financial Assets**

The following reflects the School's financial assets as of the statement of financial position date, reduced by amounts not available for general use because of a contractual or donor imposed restriction within one year of the statement of financial position date.

Financial Assets at Year End	2021	2020
Cash	\$ 122,062	\$ 143,958
Accounts receivable	85,972	54,005
Available Line of Credit	100,000	100,000
	<u>308,034</u>	<u>297,963</u>
Unavailable for General Expenditures		
Net Assets with donor restrictions	-	3,299
Financial Assets Available For General Expenditures	<u>\$ 308,034</u>	<u>\$ 294,664</u>

As part of the School's liquidity management, cash is kept in a checking account that can be accessed to meet daily needs of the organization in addition to the available line of credit.

**11. Subsequent Events**

In preparing these financial statements, the School has evaluated events and transactions for potential recognition or disclosure through September 20, 2021, which is the date the financial statements were available to be issued.

**12. Risk and Uncertainties**

On January 30, 2020, the World Health Organization ("WHO") announced a global health emergency because of a new strain of coronavirus originating in Wuhan, China (the "COVID-19 outbreak") and the risks to the international community as the virus spreads globally beyond its point of origin. In March 2020, the WHO classified the COVID-19 outbreak as a pandemic, based on the rapid increase in exposure globally.

The full impact of the COVID-19 outbreak continues to evolve as of the date of this report. As such, it is uncertain as to the full magnitude that the pandemic will have on the School's financial condition, liquidity, and future results of operations. Management is actively monitoring the situation on its financial condition, liquidity, operations, suppliers, industry, and workforce. Given the daily evolution of the COVID-19 outbreak and the responses to curb its spread, the School is not able to fully estimate the effects of the COVID-19 outbreak on its results of operations, financial condition, or liquidity for fiscal year 2022.

(a non-profit organization) which comprise the statement of financial position as of June 30, 2021 and 2020, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements, and have issued our report thereon dated September 20, 2021.

## **Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered The Emerge School for Autism, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of The Emerge School for Autism, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of the School's internal control.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in the internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

## **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether The Emerge School for Autism, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

**Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose. Under Louisiana Revised Statute 24:513, this report is distributed by the Legislative Auditor as a public document.
