Accountant's Compilation Report

To the Board of Directors
Plaquemines Parish Economic Development District
Belle Chasse, Louisiana

I have compiled the accompanying statement of cash receipts and disbursements – cash basis - of the Plaquemines Parish Economic Development District as of December 31, 2007 and for the year then ended in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants.

A compilation is limited to presenting in the form of financial statements information that is the representation of management. I have not audited or reviewed the accompanying statement of cash receipts and disbursements and, accordingly, do not express an opinion or any other form of assurance on it.

Management has elected to omit substantially all of the disclosures required by generally accepted accounting principals. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the District's financial position, results of operations and cash flows. Accordingly, these financial statements are not designed for those who are not informed about such matters.

I am not independent with regards to Plaquemines Parish Economic Development District.
