#### Notes to Financial Statements

### (1) Summary of Significant Accounting Policies

#### A. Organization and Purpose

Lafayette Community Health Care Clinic, Inc. (Organization) is a nonprofit corporation, incorporated on September 16, 1992, under the laws of the State of Louisiana. The Organization was formed to supply facilities, volunteer staff, and other support for the rendering of free medical and dental treatment, and free prescription medications to working uninsured residents of Lafayette Parish.

### B. Basis of Accounting

The financial statements of the Organization have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Net assets and revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Organization and changes therein are classified and reported as follows:

Unrestricted net assets - Net assets that are not subject to donor-imposed stipulations.

Temporarily restricted net assets - Net assets subject to donor-imposed stipulations that will be met, either by actions of the Organization and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Permanently restricted net assets - Net assets subject to donor-imposed stipulations that neither expire by passage of time nor can be fulfilled or otherwise removed by actions of the Organization.

#### C. Cash and Cash Equivalents

The Organization considers all highly liquid investments with an original maturity of three months or less at the date of acquisition to be cash equivalents.

### D. <u>Inventory</u>

Inventory consists of donated medications valued at their estimated fair value. The Organization dispenses these medications to individuals that qualify for their program.

Notes to Financial Statement (Continued)

### E. Property and Equipment

The Organization's capitalization policy is \$5,000 for property and equipment recorded at cost, if purchased, or at estimated fair market value, if donated. Donations of property and equipment are recorded as contributions at their estimated fair value. In the absence of donor stipulations regarding how long the contributed assets must be used, the Organization has adopted a policy of implying time restriction on contributions of such assets that expires over useful lives of the assets. Depreciation is computed by the straight line method over the following estimated useful lives:

	<u>Years</u>
Buildings and improvements	20 - 40
Equipment	5 - 10

### F. Revenue and Expense Recognition

Contributions are recognized when the donor makes a commitment to give and are considered to be available for unrestricted use unless specifically restricted by the donor. Contributions designated for future periods or restricted by the donor for specific purposes are reported as temporarily restricted or permanently restricted support that increases those net asset classes. Expenses are recognized in the period incurred in accordance with the accrual basis of accounting. When a restriction expires, that is when a stipulated time restriction ends or purpose restrictions are accomplished, restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restriction.

### G. Allocation of Functional Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

#### H. Income Taxes

The Organization qualifies as a tax-exempt organization under Section 501(c) (3) of the Internal Revenue Code and classified by the Internal Revenue Service (IRS) as other than a private foundation. The Organization's Forms 990, Return of Organization Exempt from Income Tax, for the years ending 2011, 2012, and 2013 are subject to examination by the IRS, generally for three years after they were filed.

### I. <u>Compensated Absences</u>

Regular full-time and regular part-time employees begin to accumulate vacation per each of the 24 pay periods once they have completed their introductory period. The rate at which leave accumulates is determined by employment classification and length of service. Upon termination of employment, payment will be made for unused vacation not to exceed ten (10) days. The Organization's policy stipulates that a staff member cannot receive cash payments in lieu of vacation time. Unused sick leave is not paid upon termination.

Notes to Financial Statements (Continued)

### J. <u>Donated Materials and Services</u>

The Organization receives a significant amount of services from unpaid volunteers who assist in program services during the year. The donated services are not reflected in the statement of activities because the criteria for recognition under professional standards have not been satisfied. Donations meeting the criteria are recorded at estimated fair value as follows:

	2014	2013

### L. Nature of Operations, Risks, and Uncertainties

The Organization relies heavily on volunteers, donated services and materials, grants and contributions. Without this support, the Organization could not continue its operations.

### M. Use of Estimates

The process of preparing financial statements in conformity with generally accepted accounting principles requires the use of estimates and assumptions regarding certain types of assets, liabilities, support, and expenses. Such estimates primarily relate to unsettled transactions and events as of the date of the financial statements. Accordingly, upon settlement, actual results may differ from estimated amounts.

### N. Reclassifications

For comparative purposes, certain accounts in the prior year financial statements have been reclassified in order to conform to the presentation of the current year financial statements.

To the Board of Directors

Lafayette Community Health Care Clinic, Inc.

Lafayette, Louisiana

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Lafayette Community Health Care Clinic, Inc. (a nonprofit organization), which comprise the statements of financial position as of December 31, 2014 and 2013, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements, and have issued our report thereon dated April 24, 2015.

### **Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the Lafayette Community Health Care Clinic, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Lafayette Community Health Care Clinic, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of the Lafayette Community Health Care Clinic, Inc.'s internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as described in the accompanying schedule of findings and questioned costs, we identified certain deficiencies in internal control that we consider to be material weaknesses.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. We consider the deficiencies described in the accompanying summary schedule of current and prior year audit findings and management's corrective action plan as items 2014-001 and 2014-002 to be material weaknesses. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

#### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Lafayette Community Health Care Clinic, Inc.'s, financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

### Lafayette Community Health Care Clinic, Inc.'s Response to Findings

Lafayette Community Health Care Clinic, Inc.'s response to the findings identified in our audit are described in the accompanying summary schedule of current and prior year audit findings and management's corrective action plan. We did not audit Lafayette Community Health Care Clinic, Inc.'s response and, accordingly, we express no opinion on it.

### Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
