INDEPENDENT AUDITOR'S REPORT

Board of Directors Central Louisiana Aids Support Service, Inc. Alexandria, Louisiana:

I have audited the accompanying statement of financial position of Central Louisiana Aids Support Service, Inc. (a nonprofit organization) as of December 31, 2004, and the related statements of activities and cash flows for the year then ended. These statements are the responsibility of the Central Louisiana Aids Support Service, Inc.'s management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Central Louisiana Aids Support Service, Inc. as of December 31, 2004, and changes in its net assets and its cash flows for the year then ended in conformity with generally accepted accounting principles.

In accordance with Government Auditing Standards, I have also issued a report dated June 29, 2005, on my consideration of Central Louisiana Aids Support Service, Inc.'s internal control over financial reporting and my tests of its compliance with laws, regulations, contracts and grants. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be read in conjunction with this report in considering the results of our audit.

My audit was performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The accompanying schedules, as listed in the table of contents, including the schedule of expenditures of federal awards as required by U.S. Office of Management and Budget Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations, is presented for purposes of additional analysis and is not a required part of the basic financial statements of Central Louisiana Aids Support Service, Inc. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in my opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

REPORT ON COMPLIANCE AND ON INTERNAL CONTROL OVER FINANCIAL REPORTING BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Directors Central Louisiana Aids Support Service, Inc. Alexandria, Louisiana

I have audited the financial statements of the Central Louisiana Aids Support Service, Inc. as of and for the year ended December 31, 2004, and have issued my report thereon dated June 29, 2005. I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether the Central Louisiana Aids Support Service, Inc.'s financial statements are free of material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit and, accordingly, I do not express such an opinion. The results of my tests disclosed no instances of noncompliance that is required to be reported under *Government Auditing*.

Internal Control Over Financial Reporting

In planning and performing my audit, I considered the Central Louisiana Aids Support Service, Inc.'s internal control over financial reporting in order to determine my auditing procedures for the purpose of expressing my opinion on the financial statements and not to provide assurance on the internal control over financial reporting. My consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. I noted no matters involving the internal control over financial reporting and its operation that I consider to be material weaknesses.

This report is intended solely for the information of the Board of Directors and management of the Central Louisiana Aids Support Service, Inc., the Legislative Auditor's office of the State of Louisiana, and federal and state awarding agencies. This report is not intended to be, and should not be, used by anyone other than these specified parties. Under Louisiana Revised Statue 24:513, this report is distributed by Legislative Auditor as a public document.

REPORT ON COMPLIANCE WITH REQUIREMENTS APPLICABLE TO EACH
MAJOR PROGRAM AND INTERNAL CONTROL OVER COMPLIANCE IN
ACCORDANCE WITH OMB CIRCULAR A-133

Board of Directors Central Louisiana Aids Support Service, Inc. Alexandria, Louisiana:

Compliance

I have audited the compliance of the Central Louisiana Aids Support Service, Inc. with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement that are applicable to each of its major federal programs for the year ended December 31, 2004. The Central Louisiana Aids Support Service, Inc.'s major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts and grants applicable to each of its major federal programs is the responsibility of the Central Louisiana Aids Support Service, Inc.'s management. My responsibility is to express an opinion on the Central Louisiana Aids Support Service, Inc.'s compliance based on my audit.

I conducted my audit of compliance in accordance with auditing standards generally accepted in the United States of America, the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and OMB Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations. Those standards and OMB Circular A-133 require that I plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Central Louisiana Aids Support Service, Inc.'s compliance with those requirements and performing such other procedures as I considered necessary in the circumstances. I believe that my audit provides a reasonable basis for my opinion. My audit does not provide a legal determination on the Central Louisiana Aids Support Service, Inc.'s compliance with those requirements.

In my opinion, the Central Louisiana Aids Support Service, Inc. complied, in all material respects, with the requirements referred to above that are applicable to each of its major federal programs of the year ended December 31, 2004.

Internal Control Over Compliance

The management of the Central Louisiana Aids Support Service, Inc. is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts and grants applicable to federal

programs. In planning and performing my audit, I considered the Central Louisiana Aids Support Service, Inc.'s internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine my auditing procedures for the purpose of expressing my opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133.

My consideration of the internal control over compliance would not necessarily disclose all matters in the internal control that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that noncompliance with applicable requirements of laws, regulations, contracts and grants that would be material in relation to a major federal program being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. I noted no matters involving the internal control over compliance and its operation that I consider to be material weaknesses.

This report is intended solely for the information of the Board of Directors and management of the Central Louisiana Aids Support Service, Inc., the Legislative Auditor's office of the State of Louisiana, and federal and state awarding agencies. This report is not intended to be, and should not be, used by anyone other than these specified parties.

The significant accounting policies followed are described below to enhance the usefulness of the financial statements to the reader.

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Under this method, revenues are recognized when earned and expenses are recorded at the time liabilities are incurred.

Basis of Presentation

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board in its Statement of Financial Accounting Standards (SFAS) No. 117, Financial Statements of Not-for-Profit Organizations. Under SFAS No. 117, the Organization is required to report information regarding its financial position and activities according to three classes of net assets; unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.
