Honorable John Sumrall
Bogalusa City Marshal
Bogalusa, La

Management is responsible for the accompanying financial statements of the governmental activities of Bogalusa City Marshal, a component unit of the City of Bogalusa, Louisiana, as of and for the year ended December 31, 2016, which collectively comprise the Marshal's basic financial statements as listed in the table of contents, in accordance with accounting principles generally accepted in the United States of America. I have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. I did not audit or review the financial statements nor was I required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, I do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements

Management has elected to omit substantially all of the disclosures, and financial statements, and other information required by *Governmental Accounting Standards Board No. 34* as explained in Note A to the financial statements. The financial statements present only the general fund and do not purport to, and do not, present fairly the financial position of the Bogalusa City Marshal as of December 31, 2016, and the changes in its financial position for the year then ended in conformity with accounting principles generally accepted in the United States of America. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the City's financial position, results of operations, and cash flows. Accordingly, the financial statements are not designed for those who are not informed about such matters.

Management has omitted the management's discussion and analysis information and budgetary comparison supplementary information that is required to be presented for purposes of additional analysis. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it be an essential part of the financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context.

I am not independent with respect to the Bogalusa City Marshal.
